Yours of 8th at-
hand - I have sent it to Supt
Smith -

There was no necessity in your
last Paragraph - as all required was to
call attention to the fact, and we would
see that no preferences were given
any one. The Shindan cargo, I can
probably explain, but prefer to do so
personally. -

Yours Truly

Gentl^r. Your ^{to} saying "Hurry
our Buffalo Shipments as fast
as possible under our Contract"
is received.

We supposed we had all
your Coal (& Saunders also) under
Contract - but a few days since
we learn that you had increased
your order over 2000 tons. We
will do the best we can to get
it all forward at some price
but vessels will not talk Duluth
with \$1.15 to \$1.25 Coal to Chicago &
Milwaukee & Grain freight
advancing. We hardly think you
will expect us to carry this very late
order, at our Contract rate, but we will
get the Coal forward & do what is right
