you sent last. They are the
best shoe I ever saw and
will sell this spring like hot
cakes. I think you had
better send me another doz besides
the 2 pair No 10. They are just
what some of the German women
want. I want 20^{lbs} of Sal

J. J. Hill Esq.
St Paul Minn
Dear Sir

I find since returning from Minnesota that my health is not nearly as good as it was during my stay there last summer and I think it would be much better for me to return and remain in that climate if possible, so I thought I would address you this to know if you could not make me an offer of as good a position as you told me of last September just before I left. I have often regretted not remaining with you and although I can do as well or better here in a

financial point of view, still on account of my health I would like to come and work for you. As I understood your offer, it was that I would have charge of the freight received books at ~~or over~~ PRR office at about \$75 per month. Can you arrange to give me some employment if I come? I would be willing to work for much less than I am making here if thereby I could get the benefit of the warm climate. I can do anything in the way of railroad business or keep any kind of books and as you know I have good recommendations. I am a single man and could come at any time you would want me. If you could make arrangements to give me something to do in any of your offices I would be very much obliged and would come willingly as I

think my health demands a change of climate. I have some acquaintances in Minneapolis who you could communicate with in regard to my business qualifications if you so desire. J. E. Hughes, U.S. Post Master Minneapolis, I am well acquainted with. I would like to hear from you here at your earliest convenience whether you can arrange to give me a position or not. I am satisfied I could give you satisfaction and should like to work for you. Hoping that you may soon be able to do something for me and that you will communicate with me here on the subject. I remain
Very Respectfully Yours
