Or Sir

I started to go down to  
your Office but saw Mr. Com-  
stock and said you were away on  
business at Montreal. I will take  
the barge for \$5000 providing you  
will get the lumber at the figure  
you said \$4.00 per thousand for  
I cannot. The bill I sent you  
was figured at <sup>that</sup> price for I would  
not touch it at higher figure.

In haste
