I am going to Wazgetta to day with
Mr. Armstrong to pay off the men. To day will
wind up the barging. Please to send me
the amount of wood received from Wazgetta
or Womwato including this days shipments
as soon as you can, so that I can close
the seasons work. The cost of boating the
wood will be not less than 75¢ per cord all
season from the beginning. Pots were received
to day. they are very heavy for our house,
but will do I guess. The mugs from ^{Wm} 13
Majo was not received yet, they must have
been miscount. They charge 8¢ per lb for the
~~new~~ enamel rings, that is one cent per pound
higher than some I got from Womwato
which J.A.A. ordered. I saw. The shippers

come in fact, & I begin to realize what it means to eat like a woodchopper. it keeps me busy to hunt up fresh meat for them. Trade is good from the german quarter & get new farmer custom every day. Please to fill annexed order at once & oblige Yours etc
