MY dear Sir & friend:-

I have the pleasure of acknowledging the receipt, by express, of a magnificent roast of beef with your card attached. Mrs. Gorman pronounces it the finest she has ever seen. I take it that it was raised on one of your farms. I appreciate very much your kindness and thoughtfulness, and return you my thanks and best wishes for the New Year.

My dear Mr. Hill

I am appreciative of your  
kindly compliment, as I am of the  
delicious Beef which came duly  
to hand - I had heard of your  
products in that direction of  
farm results, and there is no  
need that I emphasize a known  
fact as to the excellence in  
appearance and taste of the  
portion kindly allotted to me.

I am ambitious that you shall  
see my Box of a farm, and my  
happy family, when you have

time enough to visit Mr.

Dear Sir,

Your favor of 7<sup>th</sup> inst, as well as 9 paintings sent on sale, and the Trojan, have been duly received. We have noted the prices at which they are to be sold, some of them however will hardly realize that sum, as are:

Loubet, Leo Horman, Jan. Verhas,  
\$500 \$700 \$250  
and Dargnick - we understand you however they should be sold at best prices possible, and if we are correct in this assumption, be pleased to confirm this.

DEAR SIR :

We mail you to-day a box. It does not contain a diamond pin, simply because our contracts for fencing Railways are taken on very close margins for profit.

Mr. James J. Hill,

Dear Sir,-

Three years ago last Summer I bought a bull of you through Dr. Alloway, he was sired by Cambuscan and his dam was Rex Alphea's Melida and he was calved on or about the 12th. day of May, 1888. I have been using him in my herd and I am very anxious to get him registered.

Your Mr. Stevens was up here at the State Fair two years ago and told me at the time that he had the transfer papers for this bull upon his desk and that he would attend to having them completed as soon as he returned home. I have since written two or three times in regard to this matter and I am quite anxious to get it fixed up. Wish you could direct somebody's attention to this matter, who would at least reply to my letters.

Respectfully Yours,

J. H. Bosard.

52 WILLIAM STREET, NEW YORK, Jan. 11th, 1892.

Dear Sir:

The details of the work done by the Tariff Reform Committee of the Reform Club are set forth in the report of that Committee for 1891. This report has been or will be sent you.

The general features of the work are as follows:

First, the compilation of names, addresses and occupations of voters in the State of New York and other states; second, the preparation and issue of numbers of "Tariff Reform" and the distribution thereof by means of the compilations above referred to; third, organizing meetings for joint debate or the presentation of Tariff Reform topics, and furnishing speakers therefor; fourth, the preparing and furnishing tariff articles for circulation through the press.

As shown in the Committee's report, the lists of voters prepared for the State of New York embrace 697,661 names. Lists embracing a larger portion of the names of voters have also been obtained in Iowa, Nebraska, Rhode Island, Georgia, Alabama, Tennessee and Kentucky, and to a smaller degree in other states.

The "Tariff Reform" has been issued twice a month through the year 1891, except the last three numbers which are in course of preparation. In New York alone 272,504 numbers of "Tariff Reform" have been distributed, in Iowa 60,000, in Ohio 42,000, in Connecticut 1,700, in Georgia 1550, in Illinois 600, in Kentucky 2,300, in Massachusetts 1,600, in Michigan 8,400, in Nebraska 1,200, in New Hampshire 650, in Pennsylvania 1,000 and smaller amounts in other states and territories. The total distribution to states other than New York is about 175,000 copies.

In New York we have held and provided speakers for a total of 95 meetings, including 11 joint debates which were attended by over 20,000 voters. We furnished speakers for 59 meetings in Iowa, 60 meetings in Ohio and 25 meetings in Massachusetts.

52 WILLIAM STREET, NEW YORK, 1892.

No. 2.

We have prepared and furnished for the press an average of twenty columns per month, which has been distributed through more than 1,000 newspapers in the western states.

The campaigns of 1890 and 1891 have given to the advocates of Tariff Reform the control of the House of Representatives. Our object in 1892 is to do all in our power to secure the nomination and election of a President of the United States pledged to radical Tariff Reform. For this purpose we ask your assistance. It is our purpose to hold immediately in the State of New York a very large number of meetings--as many as 400 or 500, if our funds permit, for the purpose of securing the election of delegates to the State Convention, who will represent the true sentiment of the State on this issue, and secure a similar representation to the National Convention. These meetings should be held immediately. The State Convention will be held in May, and the delegates elected in April, so that immediate action is imperative.

We also desire to continue the work as above outlined in other states, to continue the issue and distribution of "Tariff Reform", and the preparation of necessary articles for the press. The Committee pledges to you constant and faithful work for the above objects. In order to put it in their power to make them effective, they will require during the year at least \$50,000. The Committee earnestly solicits your subscription.

Sincerely yours,

*E. Ellery Anderson*
