Dear Sir:-

Your telegram of yesterday's date was not presented by the Telegraph Company until after 8 o'clock P. M.- too late to comply with your request. I send you herewith copy of the Mille Lacs Lumber Company's deposit slip of January 28th, which, while it does not, perhaps, contain all the information you expect, is an exact copy of the original. In returning the Lumber Company's bank book yesterday I omitted to state that the amount credited as a collection, of which you were wanting the particulars, was received by the Bank from a Minneapolis party named Mann, but, as to just how the amount was made up the Bank were unable to inform me.

Yours truly,

Jno. J. Rooney

I find it utterly impossible to do any business in this town. The Forum has just finished "doing it up." There is a hostile feeling against the St. Northern and I have not had a very pleasant day of it. I still have been all around and done as much as is possible to allay the feeling of hostility which prevails. Please send 25 copies to Mayville and oblige
Yours truly L. C. Smith

Dear Sir

I have received your favor
of the 13th inst from Mr Brodie about coal
for Green House I think there is sufficient
coal in the coal vault to last the balance
of this week, but I think it would be
advisable for you to send up 5 tons more
of egg coal so that there will be no danger
of running out of fuel

Yours Respectfully
