FARGO, N. D., March 17, 1892

W. A. Stephens, St. Paul.

Dear Sir: Business has picked up some during March, and would have been still better but for the blizzard. The improved business will not show up in the collections, however, until April. Our pressman, who has been with The Argus for four years, says we are now printing more dailies than at any time since he has been on the paper. Considering that we lost all of Edwards' personal friends and a great multitude of his dead-heads, we are holding our own pretty well. Lyon, of the First National bank, told me yesterday that a Forum check for \$3 had been thrown out by the bank with which the Forum keeps its account.

I shall need about \$1,000 to get through this month, and will draw for \$500 on Saturday or Monday. Will draw on the Minneapolis Trust Company, as before.

Very truly yours,

Geo. K. Shaw.

Dear Sir

I write you ^{at} this
time to say I am expecting to meet a
Party of Capitalists very soon from
Indiana and hope to induce them to
join me in handling Timber Lands
& Manufacturing Lumber in State of
Washington. I would like you to
write a letter to Whome in May
Cassurn & C. giving me a Character
and a business Standing and
Whether I am reliable and worthy
of Trust a letter from you of this
Character will do me a great deal
of good and Mr Hill you know
that I am entitled to and worthy
of your Patronage & Respect
Notwithstanding the setting up

you unkindly gave me in your
 office not long ago. Which was
 all back and you know it
 look back if you please to
 1879. Who stood by their word
 then and down to 1888 in
 regards to Stone quarry deal
 I told Mr Minot that I would
 secure the Property and show
 it up to him before he or any
 one else thought of the scheme and
 not two hours before I turned it
 over to him. I could have taken a
 good fortune for me in my sister
 of the other Road who I was anxious
 to beat but did I betray my loyalty
 to you "No I turned it over without
 one dollar but had some nice
 premises. Which have now been
 carried out. You could do me

Much good in letting me some
work on Pacific Coast which
would help me out now I am
poor and you are on the
throng

If agreeable please address
