After transmitting telegrams which in their judgment would have served the Company's interest if sent by train mail, or which appear unnecessarily long, operators are required to make a copy of them and forward to Superintendent of Telegraph. Operators will write all telegrams in ink, and enclose those for delivery on trains (except to trainmen) in sealed envelope.

Dear Sir:-

I would esteem it a favor if you would kindly notify Mr. Nichols to let us have part of the amount due us according to our statement of Mch. 23rd, as we are rather short of money just now and have heavy payments to effect on the 20th of this month.

By doing so you will oblige,

Yours very truly,

Dear Sir:

Yours of 11th at hand and contents noted and I have received \$65000. from Mr Sawyer for the Consolidated Mortgage Sinking Fund.

As already advised I have bought \$2000. 4 1/2% at 101 and today put in an order for \$2000. more "at the market". I have just received report of this purchase, viz; \$1000. @ 102 1/2 and \$1000. @ 103. which was the best we could do. These will be quoted and puts the bonds amply high for my present purpose and I shall only buy a bond occasionally to keep the market right, husbanding my funds for a case of necessity.

I note all you say and will take advantage of every opportunity to get in holders of the First Mortgage bonds and use the arguments you make to that end. I am now arranging with

the Stock Exchange to have $4\frac{1}{2}\%$ Consols that may be issued on the ~~Stock~~ exchange listed as the exchanges are made. At the price of 102 there is every inducement for the "Cotton" funds to make the exchange and at 103 many of the overpaid. ing bonds should be accepted in.

Yours very truly
Elliot Fitch
Secretary.

Subscriptions to the new bonds have come in on something over 57000 shares.
