Dear Sir:

I have your favors of 13th & 15th inst.
In answer to the former will say that I hold
note of R. F. Pettigrew dated March 26th 1892
favor of James J. Hill for \$10,000. bearing interest
at 6% per annum. No place of payment specified
I should have advised you of this but have been
so rushed that it was overlooked.

I enclose four notes to Chase Bank as requested
by you which when executed are to be returned
to me and substituted for the Temporary notes
given by me on Mr Hill's behalf. The notes
bear all details which you will require for your
books.

On the return of these notes I will make the
proper entries on my books to wipe out Mr Hill's

Wants and to show the collateral as lent to the parties making the new notes. I inclose a form of agreement for the return of the collateral loaned by Mr. Hill. You may find it necessary to modify this as I am not advised what arrangements you have made with the parties beyond the fact that they secure Mr. Hill.

Yours very truly,
Edw. T. Nichols

Dear Sir:

I have your favor of 16th inst. and

I will pay Durand-Ruel soon as possible
but as you know I am very short just now
and the money I am lending for New Hill is
all needed by the borrowers.

We are in receipt of your check today for \$5,000.00 and thank you, of course, for this amount but we see no reason why the entire account should not be paid. You sent word some two or three weeks ago to our Mr. Young that the account would be settled during the following week.

We shall be glad to have your check for the balance.

Dear Sir:-

Your favor of the 16th inst. has been duly received and note taken of your instructions regarding the sale of the 12 paintings.

These pictures have arrived safely but need cleaning and repairing before they can be offered, when I shall endeavor to dispose of them to the best advantage.

Please find herewith a list of pictures sold to date with amounts credited your a/c accordingly, also a list of the paintings remaining unsold from former consignments together with a list of the pictures just received and I trust you will find these lists correct.

The "Lhermitte" purchased at the American Art Sale is about to be shipped with the "Delacroix" lately sold to you.

As the insurance on the former pictures has expired, do you wish us to take out new policies for those now on hand?

Please advise and oblige,
Yours respectfully,

J. Dehne
