

KUHN, LOEB & CO.

30 Nassau Street,

New York April 27th, 1892

My dear Mr. Hill:-

This letter is presented to you by Mr. Rosenthal, Assistant General Agent of the Baron de Hirsch Fund in charge of the latter's agricultural settlements.

The Baron de Hirsch Committee has delegated Mr. Rosenthal to confer with you upon and to inspect the preparations for the settlement of the colony which you were generous enough to institute during the past Winter.

Mr. Rosenthal, who himself is a Russian, fully understands the situation, and is in a position to give you every information you may desire, while he is also authorized to make all arrangements as far as practicable to ship the proposed settlers upon his return to New York.

May I bespeak, then, a kindly reception for our delegate, and I need hardly add that every member of the Hirsch Trust feels under personal obligations for your liberality in providing homes for their unfortunate wards, and that the Committee, as well as I personally, shall only be too happy if an opportunity should offer, to serve you in return.

Believe me, dear Mr. Hill,

Jas. J. Hill, Esq.,  
St. Paul, Minn.

Yours most faithfully,

Jacob A. Schiff

Herman Rosenthal.

Ass.<sup>t</sup> Gen. Agent  
Bureau of Agriculture,  
Baron De Kirsch Fund.

Phil 5 or 6 years ago, he is either 8  
or 9 years old this spring and  
not certain wish but your books  
will show his exact age, no doubt.

He is a sure getter of stock and his  
calves are fine and some good man  
who is making a business of  
raising cattle ought to own him  
and now is the time to sell him.

I will sell him for \$300.<sup>00</sup>/<sub>100</sub> does  
delivered on the Cars at Hunter  
and I wish you would try and  
find me a buyer.

The spring is very late here and the  
land very wet, there is little or

No seeding done around here.

Yesterday was a wet day <sup>and</sup> during the night <sup>and</sup> it will be a week before we can expect to resume field work again.

Those you have much plowing<sup>to</sup> do can hardly expect to put in near their usual acreage of wheat this year.

The outlook for North Dakota this year is not particularly flattering.

Kindly let me hear from you and oblige  
I am,

Yours very truly,  
A. J. Morrish
