Dear Sir

Your letter of May 23 - duly  
recd - It was so late  
when I finally found  
the proper person to  
rent the land of that  
I could not, but in  
any case it is the land  
this spring - forever I  
rented the hay privilege  
of Mrs Van Blissingen  
Mrs Van B - told me that  
the property would no  
doubt be in your possession  
after July 5 - or at least  
by another spring - the  
farming land is in

a very bad state of cultivation  
full of wild oats and wild  
mustard and in fact  
all other foul weeds that  
grow - and if they are  
all allowed to go to  
seed this season the land  
will be almost spoiled  
for farming purposes  
In talking with Urban -  
about summer fallowing  
and cultivating the land  
this summer with the view  
of destroying the weeds he  
thinks I would make  
some arrangements  
with you in regard to  
that - I will make this  
proposition - I will  
go on with my men and  
teams and do what work

Moorhead, Minn., ..... 189

is necessary to destroy  
the weeds and put  
the land in shape for  
next years crop - and  
give you one dollar an  
acre for the use of the  
land next season - This I  
consider a good offer and  
I will be obliged to  
lay out lots of money  
and labor to get the  
land in condition for  
crop - Please let me know  
as soon as convenient if  
such an arrangement can  
be made - as it will soon be time  
to pull the mustard

Yours Very truly C. F. Dimes
