endorsed by

has this day been duly presented by me for payment

Notary Public, Ramsey Co., Minn.

16th July 1892.

My dear Mr. Hill.

From the above
you will see that I am
with my father and mother,
sharing (so far as my
friends in the city will
permit) their tranquil life
and enjoying the family
reunion. - I have nothing
special to write about,
but during my sojourn on
this side I have so constantly
had your name on my lips
at various Board meetings
that perhaps it is time I
assured you I have not
been taking it in vain! -

I have tried rather to keep down than to start a boom in S^t Northern, but the truth of the matter is that you inspired so much confidence among those you saw on your visit here, and they have so infected many others, that opinion is entirely beyond my control. I am glad to report that I have started several large Life and Fire Insurance Cos. buying the Sterling 4%^s with results upon the market price (despite heavy selling which I know of) that you have doubtless noted during the past six weeks. —

My wife is exceedingly well. I sail for New York on the 30th and hope to come west to see you late in the

autumn, after Willie has had a holiday. -

You will be sorry to hear that Northcote does not seem to make any headway against his illness. He is very brave, cheerful and uncomplaining but I fear he is steadily losing his physical powers. - My wife joins me in kindest regards to Mrs Hill and all within your circle, including Sam and his fire-side, and

I remain

Sincerely Yours

J. Kennedy Tod.
