Dear Sir

I have been informed  
that you intend to erect a barn on the  
lot next to my home on Pleasant Avenue  
which will ruin my place and will compell  
me to move and take what ever is offered  
for the place hoping the same may not be

Dear Sir, We have your favor  
of the 15<sup>th</sup>, and the entire order  
now in work we hope to be able  
to ship in due season.

We take advantage of this  
letter to add that we have just  
received from our Paris house  
a really red specimen diamond  
3/8 Kt weight and a red brown  
diamond called "a Benedictine" 25/32 Kt.  
which are such very remarkable spec-  
imens that you really ought to see  
them, and entirely without regard to your  
desire to purchase we would be pleased  
to send them for your inspection. None  
of us has ever before seen such spec-  
imens, and they gratify our curiosity as  
well as educate us. As with all  
rarities they are exceedingly costly,  
\$1200. each but without regard to price  
or possession they are exceedingly interest-  
ing to see. We take the liberty of holding

them for you until you can have  
time to send us your permission to  
forward them for inspection

Very truly yours

Dear Sir:-

I have just received from Paris the last number that has been published of the Spitzer Catalogue.

As you will notice the numbers do not follow each other in the regular order, on account of some difficulty they had with the cataloguing of the different series.

I send you this day the number which belongs to you and trust you will receive it safely.

Yours truly,

*Durand Ruel*

FARGO, N. D., July 19, 1892.

W. A. Stephens, St. Paul.

Dear Sir: Enclosed find statement of June business. The expenses were lighter than for May,\* but you will note a falling off of \$635.66 in advertising earnings. This was largely owing to dull business caused by the late spring and unseasonable weather; but ~~partly~~ partly owing to the fact that I had my advertising solicitor on the road most of the month soliciting subscriptions. Next month I will put on a traveling man and keep him out all the time, and keep the advertising man at work in town all the time. I think this will pay. July advertising will show up somewhat better than June did.

I will have to draw for \$1,000 about next Monday, July 25.

Walker Bros. have paid their account for stock to July 1st and their rent to August 1st, and thus do not owe us anything at this date.

Very truly yours,

\* 5 pay calls in  
May - 4 in June
