W.A. Stevens, Esq.,

Room 57 G.N. Ry., St. Paul, Minn.

My Dear Sir:-

I have your favor of 20th inst., calling my attention to the gravel pit on Mr. Hill's farm. I have not myself used any gravel as yet, but did tell Mr. Dunwoody's man to haul a limited quantity, but not to exceed that named to you. I will at once notify him that he must haul no more, and will use none myself unless permission is had from Mr. Hill direct. In the absence of Mr. Dunwoody I took the precaution to say to Mrs Dunwoody that if gravel was ~~taken to~~ the injury of Mr Hill's property that we must return as many loads of earth as would leave the property in the same condition in which we found it. I will examine the location in person and see that nothing has been done to the injury of Mr. Hill's property.
