Dear Sir:-

I found to my surprise, after five months' absence that your account was still unsettled.

Your private secretary's letter of July 26th is at hand. We have been kept out of our money for material for nearly a year and we have reluctantly placed the matter in the hands of our counsel for collection, who will communicate with you at your New York office.

We cannot admit the grounds for deferring payment, which you allege.

We are advised that we are not under obligation to give you a bond.

We shall not defer the collection of the account and we trust you will remit the amount to our counsel on his demand.

Yours truly,

W. W. Griscom
Vice President.

Mr James J. Hill.

Dear Sir -

I was talking to Mr. Hamilton Brown about buying or leasing the South West Quarter of Section thirteen. ^{in Burlington Township} But he could not give me any answer but requested me to write about it. Now what I was speaking to him about is leasing the coal on or buying the piece of land above described. If you will sell please let me know your best price. Or if you do not want to sell. will you lease and at how much per Ton royalty. I am going to open a mine this fall but if we can trade would rather open there as it is a little more handy. Of coores will take out coal as fast as possible and will make more freight for your road as it would all go over it. as I would open on crooked creek. as to my ability to operate a mine I refer you to any one here in Ft Dodge or in Lehigh. or Mr Bordick. You will greatly oblige me by answering soon as possible as time is getting short for opening coal mine this fall.

Chase National Bank,
New York, N. Y.

Dear Mr. Cannon:-

Your letter of the 25th ult. received, and replying, I beg to say that I met Mr. White on the Coast, and told him that I thought the quarter interest in Fairhaven property could be bought later for less than at present. I think the property is fairly worth \$200,000., but believe it can be bought for less money, and that it is not at all likely to advance.

I expect to be in New York next week, and will be glad to talk the matter over with you.
