Message received. Contract was let before I left St. Paul to Carlisle and Son who were lowest bidders. They have filled large contracts for the Railway Company, and their work has always been very satisfactory. Would have been glad to have had your friends get it.

Dear Sir:-

Yours letter of the 9th, at hand and noted.

The piece of land I want is the south west quarter of section thirteen, in Sumner Tp Webster County Ia. I will buy the land if we can agree upon the price, or I will lease the coal on it at a royalty per ton if we can agree upon that. This piece of land is joining a piece of land owned by Silas Corey, on the west. I could work this coal easier and cheaper now than at any other time as we are driving our entry's in that direction, and could take the coal out these same roads. To take this coal out any other way, you would have to drive a slope a long distance or sink a shaft and let your coal down the hill with a rope to get it to the cars. Hoping to hear from you both these propositions at your earliest convenience.

I am yours very respectfully

Geo. W. Corey

Dear Mr. Hill,

I am pleased to learn
you have reached here safely. I am
afraid your journey must have ^{been} quite
oppressive in this hot weather.

Will you lunch with me at your own
convenience say between 12 1/2 & 1 o'clock
today? I shall have something to
say to you, which will be of interest.

Sincerely Yours
