W. A. Stephens Esq.
St Paul. Minn.

My dear Sir:

I shall be very well disposed towards making a trade for my Great Falls lots by taking Toronto Co's stock in payment therefor.

The stock is about 70-80 here now, the price having dropped a little on the 10% dividend.

I will take 100 shares of the Toronto Co's stock for the lots if the trade can be made at once.

When you get any information about the market for these lots kindly advise me, and oblige

Yours very truly
W. A. Stephens

Faculty as a body possess the only power to restore and are constitutionally jealous of interference. The president has really not the power and can only persuade. He promises to champion the matter before the faculty when it meets in September, President meantime writing and urging members to favorable decision he promises to do all he can in all friendliness to you. To Jimmie, to your family and to me personally. He cannot absolutely promise to succeed but is doing all in his power to attain success. Do not let Jimmie get discouraged but work hard under tutor. My congratulations to you and wife upon your silver anniversary.
