Dear Sir

I mentioned to Mr Hill a few days ago that I would like to have some additional work while the Car was here in St Paul (which it is the most of the time) as Messenger or something else. I explained to him that while the Car was here that I could easily earn enough to pay my living Expenses so he told me that he would see if he could find something for me to do.

So I thought perhaps you might think of something. if so it would me a great favor to me & one among others that shall never perish in Memory of the Past

Very Resply
