J. J. Hill Esq. St Paul Minn

Dear Sir, I am out of Rail Roading altogether since I left you. but as you can see I am mixed up in politics, Now we want to elect Knute Nelson but the odds are against us, the difficulty of getting around in the woods is such that everything will have to be delivered on horse back then the men will have to be paid for the time they lose or they will vote as they please. now I thought maybe you were interested enough to give us some help God! how we need it. We have written to all the candidates & to the Cen Committee but no reply has come yet although we expect it. If you decide to help us you can send it myself or the Secy Mr Arnold, it will take a lot of it, and we carry the County-purse, the lumbermen do not want to pay the men while they are off voting. you see the situation. Hoping to hear from you I am dear Sir

Most Respectfully Yours  
 Moses Manston.

Mr. J. J. Hill.

President of the Great Northern Railway,  
Harvard six

No doubt you will  
be surprised to get another letter  
from me. I felt a little backward  
of writing but knowing you  
being a friend of the Orphans I  
thought to ask another favor,  
our halls in the Asylum  
lower and upper one needs repair  
ing very badly, and our board  
of directors can not get it done  
this year they are in de. and want  
get it done. so I thought best to  
try myself to get help of  
some of our friends. I want

to get the halls papered, and  
 some good Oil Cloth put down  
 for we have the soft wood floors  
 and they will not do without  
 something.

I would like very  
 much if we could have the  
 honor if you would come  
 and visit the Asylum, once  
 we would be very much  
 pleased. Hoping you  
 will grant my request  
 wish you will <sup>be</sup> rewarded a  
 thousand fold from God.  
 and also the little Orphans  
 will remember you in their  
 prayers.

Respectfully yours  
 Mother Benedict
