Mr Stevens, Private Sec'y,

St Paul, Minn. C/o Pres. J.J. Hill.

My Dear Sir:--

I wrote you some time ago in answer to your letter regarding the unpaid amount, and I asked you in that letter if you intended to figure compound interest on the unpaid amount of my note, but as you do not answer, I feel sure that you did not get it.

I also regret that twice I have called at your office and once you were not in the city, and I have failed to see you.

Kindly reply and oblige, if you did intend to charge me compound interest on the note.

Very truly yours,

Dear Sir:-

Your telegram of last night duly received. Mr. Hill is here at present, but will in all probability go East about Wednesday next, if not sooner. I expect he will be absent about three weeks. This is as near as I can figure upon his movements. I have just wired you as follows:-

"Message received. He is here now but likely to go East middle next week."

Yours truly,

Dear Sir:-

As you requested, I dropped a line to Mr. Magraw, who has some of the Walter A. Wood Harvester Co. stock for sale, asking him to call upon me. He explains that the party owning this stock is ready to lose \$25.00 per share on it, and as you requested me to send him to you, I now take the liberty of doing so.

Yours truly
