Dear Sir:

Your telegram of 14th instructing me to pay American Exchange Bank \$5000. for credit of W. R. Merriam, Trustee, did not reach this office until after banking hours (4 P.M.) and after I had left for the day. Tomorrow Mr. Perkins arranged the payment and wired you in my name that it had been made. It seems that Mr. Merriam had been at the bank all day awaiting this money.

The telegram was received at Western Union office here at 3.46 P.M. so that the delay must have been between somewhere west of N.Y.

Yours very truly
Wm. L. Nichols

My Dear Sir:

I send you a copy of a letter from one of the members elected to the Legislature, showing his appreciation for what you did for him, and who will be an able man, and a friend of yours in future.

Had it not been for the unfortunate scandal of our candidate for Governor I believe we should have elected the State ticket and carried the Legislature. We succeeded in electing about 35 members, being four times the number we have ever had before and believe the larger portion of them will be the right men for the interests of the State of Washington and all enterprises beneficial to her great future. Certainly we were not mistaken in the election of our Presidential ticket, and I believe we will have an administration that will give great satisfaction to our people.
