Dear Sir

You will

Pardon me for calling upon you in a business proposition which I am about to make. I have a claim situated in the Dup Creek Country and have recently struck a vein of splendid silver Ore bearing \$200.00 to the ton it also according to the assay has a fine percentage of gold and at present I have not the finances to open it up and if you can consider it I will give you an interest and an opportunity of making not less than \$25000 for the first year you can examine into this matter and I feel sure you will be satisfied of that which I say I thought of writing to you for the reason that I knew you years ago

Dear Sir: The Capital of this Bank will be increased to \$200,000 in the manner indicated by the subscription blank enclosed herewith.

About \$60,000 of the increased Capital has been subscribed for by the present stockholders, and others who will bring new business to the Bank, at \$105 per share and it is desired to place the balance with persons of financial standing and large means in other parts of the country. A four per cent. dividend will be paid January 1st; this will be continued permanently each six months thereafter.

The increased Capital is required to meet the demands of our business, which is rapidly increasing owing to the phenomenal and substantial growth of this City as well as the "head of the Lakes" generally.

We shall be pleased to receive your subscription to part of this stock and shall be pleased to answer fully any inquiries you may desire to make.

Very respectfully,

Pres't.
