My Dear Mr Caillat

Here is the
Deed, all ready for record.
The taxes are paid, & the
property is free of all
incumbrances — minus
a city assessment for
street opening, which has
to be paid before July 18. 93 —
but to which I will
attend in due time.
Yours Ireland

Dear Sir: I saw Mr. Laird

and Mr Mc Cormick of the Weyerhaeuser
Syndicate yesterday. Their proper wish
to meet you before you extend the line
to Leech Lake. I think they hope it
may go directly north from Fort Rapids
instead.

Mc Davis has a scheme for locating a
lumber plant at Coeur d'Alene. He showed letters
from prominent people looking toward a
large purchase and a consolidation of
their land interests on Puget Sound.

I told him I thought you would accept
25⁰⁰ per acre for 50,000 acres. but was not
authorized to say so. The vote on the
Bill taxing RR lands occurs Tuesday
I still think we are safe but we lost

some votes by the failure to vote Friday. We are all about
the same as when you left. Mostell took lunch with Mary yesterday.
Sale of mpls and shops and others in real estate are ready
to face the same old story. Mostell says he will

Dear Sir. I received your telegram
regarding the N.P. Receivership. I am sorry it had
to come. Matters here are a little better as I
wired you Foley Bros & Guthrie have taken
Frank Charles' bank. E. R. Newell is getting
along well but will need \$10,000 to put
him through 'till Sept 1st after that he is
all right. The Mpls banks can not loan
it to him. I fear Langdon will fall
down. Peter Hanson's bank is doing better.
The First of Fergus Falls (C. Dwyer's bank)
has lost \$10,000. I got them \$10,000 but I
think they will need \$15,000 more. We are
selling a little farming land. Had the
Spring Park land surveyed and priced it
at \$100⁰⁰ per acre inside lands and \$200⁰⁰
per acre lake fronts. Thus far we have sold
about 30 acres. The land cost \$30⁰⁰ per acre
