F. B. FARGO & CO., Manufacturers of Dairy and Creamery Fixtures and Supplies, Lake Mills, Wis., have bought out the Minnesota Creamery Supply Company, and will continue the business at 98 South Robert Street, where we will carry a complete line of Creamery and Cheese Factory Supplies. We make this move for the benefit of our trade in Minnesota, Northern Wisconsin and Northern Iowa points. Our shipping facilities will be greatly improved over that in the past, as all the above named territory has connection with St. Paul.

We will carry a complete line of Vats, Churns and Fargo Workers, including Mason, Seaver, Creamery and all table and hand workers, with their spare parts; also Cream and Babcock test churns, all sizes, and their supplies. On Boilers and Engines we can fill any order promptly in any sizes or kind used in creameries or cheese factories. Steam pipe and fittings we are in better shape than ever to meet competition and fill orders promptly. In the separator line we will carry all sizes of the Alpha Separator in stock, as we are special agents for the Northwest; also all supplies for the above separator, the DeLaval Belt and Turbine, the Sharples and the Danish Weston. Repairing on all kinds of separator bowls a specialty.

We also have two or three bowls to lend while others are being repaired. We have several second-hand DeLaval Belt and Turbine and Danish Weston which we will sell at greatly reduced prices. In the line of Butter Color, Butter Cloth, Butter Tubs, Cheese Color, Rennet Extract, and, in fact, all kinds of supplies can be obtained of us in quantities and at prices that will be satisfactory to purchasers. Write us for anything you want, and we guarantee satisfaction. Inquiries in regard to outfits—creamery or cheese factory buildings—will have prompt attention.

Mr. C. E. Frink, who has been with us for the past eight years as traveling salesman, will have entire charge of this branch. His large experience in connection with the creamery trade will enable purchasers to get what they want promptly and satisfactorily.

At any time when you are in the city we would be pleased to have you call on us and examine our stock of goods.

Write us for prices before purchasing elsewhere. Catalogues on application.

Yours truly,

F. B. FARGO & CO.
