IN REPLY QUOTE NO. 305.....

Chicago, Jan 22nd, 1893.

James J. Hill Esq.,

President Great Northern R'y.,

St Paul.

My dear Mr Hill:

I am leaving tonight for the west to be gone a month or more, part of the time it being my intention to spend in Southern California. I was in hopes to have seen you before I went away, but am unable to do so.

I write this now to express the hope that I may see you in Southern California while I am there. I am sure that a little rest would be good for you, and I regret to say that I find my health in such a condition that a few days of rest seems to be absolutely necessary. As you are aware, if I can add anything to the comfort of yourself and your family in taking you out and bringing you back it would be a gratification to me to do so.

Yours truly,

A. Manvel

Dear Sir:-

As we wrote you on the 19th., when sending you the last of your order of Grand Pacific Insurance, that owing to very slow collections, we needed all the money we could possibly get, and asked if you would kindly send us check for the amount of the policies sent you this month, as per the statement sent you on the above date. Mr. Titus is again confined to the house with his old trouble, neuralgia of the stomach, and asked me this morning to again write you and ask that you will please send us this amount, as soon as possible as we need the money very much, in closing up the 1892 business, If you will kindly do this, it will be a great help to him.

Yours truly.

B. L. Titus
