Dear Sir;-

Enclosed please find revised statement of bills not connected with power plant.

In addition to the credits of \$1.00 and of .50, we find on our bill of Jan. 30th, amounting to \$148.04, an error in addition of \$5.00, which, after deducting 45%, leaves a net error of \$2.75, for which we enclose credit memorandum.

We trust that now everything is clearly understood and satisfactory.

Dear Sir:--

I am in receipt of your esteemed favor of Jan. 23rd and carefully note contents. The query from the Chase National Bank of New York for white coupons which they claim to be necessary I would say is purely a clerical error on their part and one which was caused by the insufficient instructions from the Minneapolis Trust Co. of this City. If you will return your coupons to New York, if they are not already there, for payment they will be paid promptly. This is an annoying error and one which we very much regret. It seems to have been unavoidable.

Yours truly,

*Chas. E. Manning*
