Mr. W.A. Stephens,

St. Paul, Minn.

Dear Sir:

The enclosed I have just received and send it to you with the suggestion that you have photographs of Vincie-Toxin, the two-year-old and Lucule, the yearling by Allen taken at the same time that you have Allen's photograph<sup>ed</sup> if Mr. Hill wishes to do so. I would give age, name, color, sire, name of dam, and full pedigree, as Allen and both fillies are recorded in the Morgan Register, and believe it would be a wise thing to do.

If I can find a good photographer in some of the towns near my ranche I will also send some photographs of some of my best Morgans.

Yours truly,

*C. H. Larrabee*

P.S. I would also suggest that a photograph be taken of Ivy Leaf as she is an inbred Black Hawk-Goldoust and is as large, fine and handsome a mare as one often sees.
