Mr. Jas. J. Hill
St. Paul, Minn.

Dear Sir:

Sometime ago we had an interview in regard to the St. Paul Daily Globe, recent developments have made the present a much more favorable opportunity to acquire this property than at any former time. Mr. Macgregor who has had the control of the circulation of this paper for years and who is a gentleman of ripe experience in the newspaper business is prepared to arrange for Fifty thousand (\$50000) Dollars of the amount required to make the purchase and to demonstrate that with prudent and economical management it can be made a safe investment

St. Paul, Minn., 189

If you were satisfied fully that the business affairs of the paper would be carefully managed and some gentleman of your own selection were placed at the head of the editorial department would you be disposed to take an interest in a new company organized to take over this property. Should you feel any inclination toward taking the matter up I will be glad to go more into the details.

Very truly yours,

S. B. McConnell
