The two
cars of Nut and one of Egg completes all
there is on the order book for M & W.
All the order you have in for your own
yard is for Egg and there is due on that,
four cars. Be kind enough not to
let your yard get so low as to oblige
us to ship you coal in any condition.
I would prefer sending it to you at our
convenience, so that if at any time the
weather is not favorable we ^{need} not
ship at that period. I am in hopes there
will be cars, so that there will be no delay.
Orders are coming in very slow and a
couple of days would run us up, if we
could get cars. Yesterday we got 21 cars
and would have had them all tomorrow
if they had got them to us early enough.
Possibly there is a difference of 100th be-
tween the monthly report. I would

Gentlemen

I received yours of

been delayed in making collections
in my business. My prospects are
growing better each day, and I hope
very soon to be able to meet your

earliest moment I can.

I came here to collect royalties
on Driven Wells. I am going to
do it.
