

Office of T. LONGSTRETH,
MINER AND SHIPPER OF
HOCKING COAL,

No. 106 NORTH HIGH STREET,

Columbus, O., Dec. 4th 1876

Ref. Hill and Acker
St. Paul Minn.

Below I give you quotations of LUMP and NUT COAL from
LONGSTRETH'S CELEBRATED MINES, until *Changed*

Lump Coal, on Track at Mines.....	\$	<i>1.50</i>	per Ton.
Nut " " " " "	\$	—	" "
Nut " " " " " (extra coarse)	\$	<i>50</i>	" "
" " " " "	\$		" "
Freight to <i>Chicago from mines</i>	\$	<i>3.00</i>	" "

This Coal is mined under my immediate supervision; is screened and handled with the greatest care, and placed in the cars in the best possible condition.

The Coal is especially recommended and adapted for LOCOMOTIVE USE; also, for use of ROLLING MILLS AND STEAM MILLS, and for DOMESTIC USE it has no equal. I make a specialty of Nut Coal, by the application of my own invention, which consists partly of AGITATED SCREENS, that are attached to my steam elevator, in connection with which is a large Fan that produces a powerful blast. By the use of this machinery, I am enabled to completely separate the Coal from every particle of dust and dirt, and I claim it to be the *only pure and thoroughly cleaned* NUT COAL produced in the Hocking Valley.

Soliciting your order, I remain,

Yours, truly,

T. LONGSTRETH.

each car, and full tons

James J. Hill Esq
My dear sir:

I am in receipt of a letter from Hill & Belter informing me that the balance of my fee is \$695.52; that it is long past due and expressing the hope that I will give it my early and earnest attention -

In reply I desire to say that I will send you a check for it before the end of the month. I trust this will be satisfactory -

I should have paid it long ago if you had not more than once told me to settle at my convenience -

I grant that my convenience has required a good deal of patience on your part, but hope it will not trouble you more -

Yours truly
Geo. A. Brewer
