Dear Gentlemen I have

Applications for Coal North & West
of you, which leads me to believe there
may be a deficiency there now & this so
we took too much coal in our run
in all probability from a surplus of
Rung & Egg but probably of no
other size.

You have to keep our rates
clean coal per yard unless this
free full cold weather continues
through winter when if so I can
run all stocked I can is your trade
& supply. No retail trade & egg for \$50
Bought at \$8 - & one dollar off by car
loads. Selig's Sump \$50 Glass \$650 &
fifty cents more at retail. Erie & Erie \$6 -
retail & 50¢ to 75¢ off by car load
Yours truly
R. Law
