be enough to satisfy anyone.

He began last Friday on Sec 29 back in the hill from where the thick cropping shows and must by this time be down to the coal (say 50 feet). he was down 30 feet on Saturday when I left. He expects to finish sec 17 <sup>+ all others</sup> by 5<sup>th</sup> June when he goes to Sec 13.

I will, in case I do not go to Chicago, be in St Paul about 2<sup>nd</sup> June.

Yours &c  
Hann.

P.S. I think I will go to St P via Chicago & Madison even if I do not get the telegram from you.

I think I have a party here who will go in on Sec 29 if Willius does not.
