My Dear Sir

I have a letter  
from W dated Tuesday.

He says "that you  
and he agree that it is best not to do any  
thing about the Road until the land has  
been secured which he hopes we will be  
able to do within 10 days and in that expecta-  
-tion you are to visit Minneapolis on 10<sup>th</sup>  
to see Washburn - that you will be at W  
City on 10<sup>th</sup> next". he closes by saying  
"Mr Hill will telegraph you this eve and  
write you more fully." I judge from that  
letter that he is going to buy.

I wish you  
would by first mail drop me a line  
to Ft Dodge letting me know what the  
figures were that I made in the letter of  
10<sup>th</sup> June - I've forget. believe it was 42<sup>00</sup>  
per acre and \$3000<sup>00</sup> bonus and prospecting  
expenses paid. I need to know this before  
seeing W. Let me know.

I will write to.

Webster City this PM and let them know  
that you are coming.

Not having heard  
from you since I wrote you the letter  
of 10<sup>th</sup> I am considerably at loss what  
I shall say &c &c when I meet W.

Maybe you  
will write me yet this week.

Yours &c

Barne

P.S.

I judge from both of W's letters that  
he is waiting to learn whether I have  
succeeded in securing the  $\frac{1}{3}$  interest for  
him or not, yet I am all in a quandary  
not having word from you. H
