Duluth July 14/77

C. A. Samuels

(Saint Paul) Dear Sir

The

Barge Annie Smith in yesterday morn-  
ing. Capt March informed me the  
Tausend & Consent were loading at Astor-  
bula, he thought for this place, and would  
be in tonight or tomorrow morning. If such  
is the case I suppose it will be Gas Coal  
Did not get to work on the Smith until  
the middle of afternoon yesterday. Every  
miner had gone to church. We done very  
well however, loading 15 cars about 165  
tons. We will probably have 54 cars loaded  
tonight. The ten cars for Minneapolis were  
loaded at 5 P.M. today. I do not know how  
many many I will get reported as there will  
be good many loaded that will be weighed  
to late for the mail

Very Respectfully

22 cars will probably go for name tonight for S. Paul. A. C. Jones

There is strong prejudice from the South west, so feel confident  
will have the Smith out before the others get in. Look for a  
better tonight or tomorrow morning in reference to Tausend  
& Consent if for  
here.
