Sir

I do not
think it necessary for you
to come up as you wrote.
The coal coming in
today looks better & the
run this A. M. shows
better results than a
wrote your yesterday
will see how it turns
out tomorrow Monday
Truly

Dear Sir

I am not in favor
of law suits, and as you seems to
have no recollection of that agreement,
although I certainly thought the
whole matter settled, You can include
the twenty \$20⁰⁰ Dollar, for which you
agree to receipt in full, with the last
bill I bought of you when it comes
me and draw for the whole amt.
Please advise

Yours Resp

Sionx City July 21/77

E. A. Saunders,
St. Paul,
D. S.

I rec^d
a letter from Robt. Law
Chicago yesterday giving
me prices on Coal etc
at Sionx City. I compared and
good, and as they I had
your prices a very little
thought I would write you.
I have not written him any
thing but that I could do
better than he offered, and
he writes this in return,
Large Eggs \$9.75 Small Eggs \$9.85
Fat # \$9.25 and Store \$10.10
as at Sionx City.
The only difference is in
the Eggs, & Nat. and I presume

according to contract you will
make that all right, I do
not expect I can get any
of my customers to take
any coal until next
month they all seem to
think it is too early yet
to talk about it. But
you may send me one
car of stone size the last
of this month for sample
so I can show them
what it will be like,
give ^{me} some new mined
and fresh and brighter
