OFFICE OF
RHODES AND COMPANY

COAL, IRON ORE & PIG IRON.

Mr. M. HANNA
R. RHODES

Cleveland, Sept 13th 1877

E. N. Saunders

Dear Sir:

We will sell the St. Paul
Harbor People, No. 1 L. S.
Charcoal at 27^s. No. 1
Scotch top & strong at
27^s. No. 1 Scotch top
& weak at \$25.50. Old car
wheels - made from a large
percentage of Salisbury iron
at 24^s - all delivered at
St. Paul, in three equal pay-
ments - at four, five and six
months. We cannot agree to
renew after this, and it is un-
derstood that they are to pay
first in cash - and deduct the
amount from the invoice.
There are no car-wheels made of Albion

made from entirely Salisbury
iron; and if the St. Paul people
suppose they have been getting
such a wheel they are mis-
taken.

Pls. ascertain in case you
accept the order, what kind
of iron they have used
heretofore; as that might give
us a clue as to what to send
them now.

We can send them almost any
brand of L. S. charcoal, and if
you can, what they have
used heretofore.

We do not handle anthracite al-
tho' if they want it we can sell
it as low as anybody but cannot
name a price. Let us know by
what they say. We should like to
sell to them. ^{Richard B.} Wm. Martin

Gentlemen

Your cars coal
are holding out all right in
weights -

Car # 2638 ^{was} short 180# &

" # 574 Star ~~over~~run 500# so I
think one must have been
to make up the other -

Presume ~~some~~ your weigher found
his error in the cut & made it
up on the car stove.

I believe the coal is giving
good satisfaction as far as ~~burning~~
is concerned. No one has used
any. Once in a while a car
comes rather dirty.

Yours Really
W. H. Harrison

Dear Sirs

I shall want you to ship me some coal in a few days, when I know just how many cars I am going to want. Will you please inform me if you have coarse Range coal and if the price is the same as for Nut. I have some orders for this kind of coal, and I want my prices in selling, the same as for Nut.

I hope by another year to have buildings up & better shape to do a good business & to lay in my stock early in the summer and not be selling on orders as now.

Yours Respectly
H. H. Hamilton
