Herts - In writing you last
 we meant to have inquired
 your price of cement and
 whether you could put any
 into cars of coal or not please
 inform us in regard to it
 We wrote you in our last that
 we had sold some coal to
 go up the river and we
 expected to hear from him
 definitely whether what
 kinds he wanted but did not
 Of course you can fill the
 order that we did send
 and that afterward we
 will probably hear from him
 tomorrow -

This case that we sell up the Round
will have to be ~~transported~~ ^{and can be} on the
Central and have the bills to them
sent as advance charges and
be the same to you or will we
pay them here and have it
rebilled. It will not make any
difference to us only an outlay
for the freight for a few days
please let us know about it
The Ill Central have found out
of our shipping over the Mil & St Paul
and have approached us guaranteeing
us equal rates with any one
and wished to know about our
rates - We told them that we knew
nothing about rates only bought
coal sold here - the only mention this
as information to you

Not expecting you to take any
action in the matter unless
you saw fit. We of course would
rather ~~at~~ have our coal come
over the Central as it saves
us hauling about 1/2 mile but
you can act your best judgment
about it and ship as you please
