Gentlemen -
Yours of 21st at hand
all coal comes billed as 2400th here
what we meant was to have the coal
billed as 24000th and billed as 20000th
at the 45 rate which you would see
would be still a rebate to you of
6 per cent and in that case
we could have it transferred without
any trouble you need not send
any over the D.C. RR at present if
any change occurs that we may
do that for what we must shipped
to Parkersburg will let you know
by telegraph on Monday or Tuesday
