Sir,

Your of 14 inst
here and noted. We are just as well pleased that you
don't take the tax, for we rather not than to market
it at price given. On the 1st we shipped you 50
bbls of Crystal which complete all your orders
to that date. Your order in your letter for 75 of
Crystal & 75 of 175. This order we will record and
ship at market price just as soon as we can
reach it, which will not be before middle or last
of next week. If this is not satisfactory please advise.
This 75 with the 50 shipped 1st would make your
order 75 bbls. and not 175 bbls as you state in
your letter, as we told you very plainly in our
message of 25th that we could not accept order.
The Minnesota markets are Common 17c
and Crystal 3c above making 20c

Respectfully yours

gentl The weights
on our coal has been running
fearfully short lately - Some cars
falling short 700 to 800 lbs

The first ¹⁰ cars weighed out well
but since that they have all fell
short more or less.

The 2 cars del'd at Frontenac only
weighed out 39025 which is altogether
too much shortage

M^r C U Saunders Supt
Saint Paul) Dear Sir

There was
shipped today to Superior Sabin & Co.
Stillwater 4 Cans Stone 76910th & 2 of
Bloss 40760th. I am under the impression
that the balance of it will go forward.
I believe that the L. S. M. R. R. will take
a couple of cans of Bloss, but of this I am
not positive. The order for M^r Arm-
strong with the three cans of Stone for
Stillwater will give us sufficient stone.
We will hold the order for the 20 cans of
Stone for Saint Paul and ship it at our leisure
and when we can get good coal.

Very Respectfully
A C Jones

I don't feel satisfied in the manner
you treated me the other day. You
should have given me an answer
to my Dispatoh one way or the other
I had the bill offred to me from noon
P.C. Kaufend & Co. Minn at 15th and if
you had answered my Dispatoh would think
it at that but for telegraph to Cleveland and
had an answer before you could do any thing

and the result was I had to pay 16 1/2 I took
just 100 off out of my. I don't care what business
