Mr. C. H. Saunders, Super

of Paul

Dear Sir

Had a terrible storm here yesterday but I am glad to state we got 18 Gaudulas and the three cays of nut of M. M. Larcher. Neither Love God or money would have got the yardmaster to take the three cays of nut out yesterday. He promised to send them on an extra today and if he did, there will only be a few hours difference in the arrival. Yesterday drenched to the skin and was much surprised at the men working. The car of W. B. Larcher loaded Saturday night in a hurry and this accounts for it being short of 12 tons. Loaded at times and must guess at the weight. Of course the nut for M. M. was not so good. Took it from the run of the pile of a fresh cargo and is very good.

Very Res
All yours

Hill Saunders & Co.

St Paul. Minn.

Gentlemen Yours of 12th inst
at hand with amt for \$290.

The bill which we again send reads "70[¢] Mill".
Should have said 70[¢] at Mill. which is what was
intended. The price we made was the same we
gave you, Mr Saunders when ten last spring.
and although Cement is up some 15-@ 20[¢] since
then, we billed at the old figures. We couldn't possibly
think of delivering in Milwaukee at 70[¢] that would
kill the Devil himself. 70[¢] at Mill. is so close,
there isn't a bit of fun in it. Milwaukee Cement
can only be sold in St P. in bags at \$1.00

"70[¢] at Mill." means 70[¢] at works. not at Milwaukee Yours Truly
