I beg your pardon for delaying so long
this matter - of settlement I have been a very busy
is my only excuse could not get time to collect
which I could do at any time after coal was delivered
for I would not sell to any one but responsible parties -
You may now send the other coal load which I spoke
to you Mr Acker about when I was at St Paul on 24
of Oct - don't care for more than 8 tons if you can
get freight at same rate as coal load for that is
all I have engaged and 5 tons of what is or was
engaged at 7⁵⁰ as I wrote you when I ordered last car
already recd -
