Mr Eufanus
Paul / Dear Sir

We have
done nothing towards loading cars to day,
Three boats here taking flour, are at the
W P docks. and also the railroad house full
of merchandise which they ^{are} loading
with two gangs of men so that both United
engines have had more than they could
do. The boats will probably be through
tonight and tomorrow I hope we can
show something as being done. The James
Bell is reported as not far from here, ex-
pect her in tomorrow.

Very Respectfully,
A. Jones
