Mr. Hill

agent. I wish to get some
Coal and so we were dealing
with Mr. Sawyer I wanted to sell
him But told him to write
you and you would sell him
Coal. You can sell him what
Coal he wants But Charge him
20¢ per ton You can send me
bills with full amount and
you can give me credit for same
I can't afford to write and furnish
stamps for Mr. Hill Don't forget to
send me statement of you
for I want to settle up with
you You wanted to know
the double between you & I.

In the first place he did not
own a cart and concern I
gave him an indirect aid to
look after it for me but he
withdrew his interest and
some 5 or 6 hundred dollars
business that was not all a week ago
Yesterday he and his men
were running the train on the
Brisps Brook one wheel and pole
beside throwing the passengers all
around the streets so when I got home
I discharged both of them don't you
think I had good reason to get
rid of him I might have lost
me every cent I had in the world
if he had killed any one
Good weather this for cold I try all
