Mr E M Saunders
S Paul) Dear Sir

The Jane Bell is not here yet. She has been seen or at least a vessel that was supposed to be here and should have been in Sunday or Monday. She has had strong head winds and I suppose this accounts for the delay. I learn that a draft of the firm's here went to protest. I have sufficient means to pay the dock rent and I wish to take out the coal bill. Please give them an order on me for the money if you desire me to pay it. I understand they have written ^{you} a reason. If you can state you have funds in my hands, If you write them please make the letter as short as possible.

Very Respectfully
Wm J. Jones
