My dear Sir

This is to introduce Miss
Mary Pierce and ask you
to have the kindness to
direct her how to obtain
N. A. bonds on your Dakota
branch of the Manhattan Trust
You may remember that
some time ago I asked your
advice concerning a safe &
simple investment of money
belonging to a widow & her
children; you recommended
these bonds; and they have
decided on taking them if
they could be had. Please

excuse me for giving you this
trouble, as I do not know
how else they can be purchased.
I remain very sincerely,
yours
L. Baillie

J. S. KENNEDY & CO.

NEW-YORK 12th June 1882.

The Chicago, Milwaukee and St. Paul Railway
has sent surveyors to locate a line through the Red
River Valley into the Northern Pacific country. The
belief is that the St. Paul officials do not intend to
allow the Northwestern to steal a march on them in
getting into that fertile agricultural region.

Dear Mr. Hill.

The enclosed caught
my eye in the 'N.Y. Herald' this
morning and altho' I don't suppose
there is any truth in it I send
it because it may interest you.

"Manitoba" Stock has recovered
the slight shock of last week
and now stands at 133% -
thanks to your magnificent
earnings.

Yours faithfully

Dear Mr. Hill,

I understand you desire to purchase property upon Summit St. for a residence, I have the only large piece now remaining unsold between Weston & Dayton Sts. - it being where I reside at corner of Summit & Springend Sts. - which is 240 ft. upon Summit St. including the vacant property this side of Mr. Kirby's barn. My price is one hundred and fifty dollars per front foot. I consider it the handsomest situation in the City for a residence and will be pleased to have you examine it before purchasing elsewhere.

Very sincerely yours,
John W. Roche
