My dear Mrs. Stevens:-

I can be in Dubuque the 17th,
perhaps two or three days before if you
need me very much. I am wondering what
I should take to wear; the weather here
swings from winter to spring, chiefly winter.

My dear Mrs. Stevens:-

I have a letter from Alice Curtis telling me that I am to go to McGregor the 16th and as she is executive secretary I imagine this is official. I hope that this will make no confusion in your plans but that you understand it. Miss Curtis says I am to remain there through the 19th. She makes no plans for the rest of the week.

My Dear Mrs. Ueland.

Dubuque is making up splendidly. There is a local pride of ^{long} ^{mid to} standing here that drives the inhabitants to run their own affairs and as the campaign advances more local talent is drawn to the standard. It almost seems to me that even Dubuque must carry. The real antis are working desperately we are told, but very unseen. The lady anti downstairs (I'm writing at Suff office in Bank and Insurance Bldg) seem to be circularizing all creation. It would be interesting to know who is directing their work. They have circularized the County once with Franked congressional stuff and are now sending out a foul leaflet with about 45 local women's names signed.

Owen R. Langroy is here (yesterday and today) were done. Four factories two afternoon meetings one Ward Rally and tonight have a mass meeting at the Strand. Josephine Casey was here yesterday too but went on early this am.

Mrs. Adams' niece, Miss Joan, who

was an organizer in the N.Y. Campaign, came on last week and will give her services till end of campaign. (Just now Mrs. Adams has more than a housefull of company and I am living down town). It occurred to me that this being the case they might not object to letting me off 4 or 5 days short of the month's time if I could be of any help in the work of the Conference (I mean of course, that which falls on the Minneapolis Office) - or if it seemed best for the Minnesota work for me to have the educational value of the sessions. When I first came here Miss Sawther read me a letter from the Des Moines Office commending their enterprise in getting an organizer for the month and stating they would probably be glad to have me in Des Moines when the month was up here. At the time Miss Sawther said it would probably end in their (Dubuque) keeping me until close of Campaign but I knew with Miss Joan's coming that idea was eliminated - I wish to serve where my work will count for most - My actual month will be up here the 12th.

I suppose you are all overworked with preparations. Many of the women are very anxious to go from here to the Conference, but so few are free. A bunch of good suffs are going to N.Y. to the Biennial. There seems to be a fear that the anti's will try to reverse the resolutions on suffrage passed two years ago. Must go decorate the theatre for tonight.

With kindest regards
Rene E. Stevens.

My dear Mrs. Ueland:-

Your letter regarding suffrage speaker received late Saturday night. I was unable to answer until I could get in touch with the hostess club at Dodge Center. I wrote immediately but did not receive an answer until today. Mrs. Simpson will be on the program in the evening. The 16th comes on Tuesday, I think you must have looked at the April calendar to make it Sunday. Our date in the Year Book is the 18th but a change had to be made to the 16th to accomodate those starting for the Biennial the 19th.

We are very much pleased that we are to have Mrs. Simpson and if she comes down in the afternoon she will be in plenty of time for the evening and will perhaps hear something of the afternoon program if she cares to attend.

I have asked the hostess club to send a program to Mrs. Simpson as soon as they get them from the printers.

Thank you for your assistance and literature.

Sincerely,

Mrs. Geo. J. Allen

Wednesday evening 5/3-16

My Dear Mrs. Ueland-

Your letters of the first and second were both received today. Since I have been living down town I have not kept in such close touch with all the details of the plan for auto tour week and so I handed your letters to Miss Sawther when I saw her for a few minutes this afternoon and she or Mrs Adams will write you definitely - A telegram from Miss Dunlap this afternoon asked that I go to Atkin (or something like that) for Thurs.-evening, take another meeting Friday night and go on to Des Moines Saturday - Miss Sawther felt that she wanted me very much to stay until Sat. here so that is the present plan.

Mrs. Briggs asked if she should send the voiceless speech but since I go on

I think better not - The banners have been invaluable and have been quite constantly in use - We put the final touches to the doll exhibit tomorrow morning - We have good big windows on Main St -

The Lovejoy meeting last night was fine - must have made many converts. Those who know every body in town say there were many fence riders in the audience - Hear the interest in the conference is running high - and that the banquet is sold out - Three Cheers!

With affectionate regards

Rene E. Stevens -

May 4, 1916.

My dear Mrs. Stevens:-

In reply to yours of May 2nd, Mrs. Ueland asks me to say that she really does not know what to say about your next move. Reading through the body of the letter, we thought of course you must leave Dubuque early enough to come to the conference because Mrs. Ueland would like very much that you might be here through the Conference. But coming to the Postscript where you mention the call to Fort Dodge, she does not know whether to call you from Iowa long enough to attend the Conference or not.

She therefore asks me to say that you had best follow your own judgment in the matter. We can use every minute of your time of course here if Iowa does not keep you employed, but Iowa comes first. We would all like to have you enjoy the Conference and its inspirational value, but you must do as you think best. (Dear me, this sounds awfully heavy and involved--but that is just the way my brain feels.)

National American Woman Suffrage Association

Headquarters: 171 Madison Avenue, New York

New York, May 10, 1916.

Dear Sir,

At its first National Convention in Chicago, August 7, 1912, the Progressive Party adopted the following plank in its platform: "The Progressive Party, believing that no people can justly claim to be a true democracy which denies political rights on account of sex, pledges itself to the task of securing equal suffrage to men and women alike."

Since 1912 Oregon, Arizona, Kansas, Montana, Nevada, have become full suffrage states and Illinois has granted to women municipal suffrage and the right to vote for President.

Last November four Eastern States -- New York, Pennsylvania, New Jersey, Massachusetts, voted on woman suffrage. While the Amendments were lost, the "yes" vote in these states was larger than that polled by the Progressive candidate for President in 1912. The total yes vote was 1,234,470.

Women now help to determine 91 electoral votes; 22 U. S. Senators and 67 Representatives. The suffrage states cover nearly half our territory.

The Progressive Party has made woman suf-
frage one of its principles. We therefore ask you to
vote for a reaffirmation of the suffrage plank in your
platform in June, 1916.

New York, May 10, 1916.

Dear Sir,

The Democratic Party holds as one of its principles that "governments derive their just powers from the consent of the governed." In order that this theory may become a fact the suffragists of this country will ask the Democratic Party to include in its platform a plank endorsing woman suf-
frage.

Since 1912 Oregon, Arizona, Kansas, Montana, Nevada, have become full suffrage states and Illinois has granted to women municipal suffrage and the right to vote for President.

Last November four Eastern States -- New York, Pennsylvania, New Jersey, Massachusetts, voted on woman suffrage. While the Amendments were lost the "yes" vote in these states was over one mil-
lion. The exact total "yes" vote was 1,234,470.

Women now help to determine 91 elec-
toral votes; 22 U. S. Senators and 67 Representatives. The suffrage states cover nearly half our territory.

The leaders of your party today are men who believe in equal suffrage. Woodrow Wilson, Wm. J. Bryan, Champ Clark, Newton D. Baker, Wm. G. McAdoo, Wm. C. Redfield, Wm. B. Wilson, have all announced their advocacy of the enfranchisement of women.

Woman Suffrage is coming. No one denies it. We ask you to join in the St. Louis Convention to support the suffrage plank.

THE NATIONAL AMERICAN WOMAN SUFFRAGE ASSOCIATION was organized in 1890 as a merger of two former associations organized respectively in 1869 and 1870. It is a federation of state organizations. The object, according to its constitution, is "to secure suffrage for women by appropriate national and state legislation." It has never endorsed any other issue. It is a strictly non-partisan organization, never having espoused or opposed any party as such.

My dear Mrs. Allen:

Just a line to say that
Mrs. Simpson is planning to come to Dodge
Center to speak at the meeting on May 16.
We have hardly had time to eat with the Mississ-

feel paid, because it was a great success.

5/14 - (Mothers Day)

My Dear Mrs. Briggs -

Did you get over to the Sanger meeting Thursday evening? If you did of course you know all about it - If you didn't I want to tell you the auditorium was full, in fact, over full. Audience in full sympathy - The speaker profoundly in earnest - moved to do what she is doing thro her searing knowledge of the sorrows of women - It was just like a suffrage meeting only she didn't say "votes for women" - Instead of waiting for parliamentary action she is employing the shortcut of direct action - by which I mean instead of waiting until women get the vote and change the partial laws some time in 24 or 30 hundred she simply has advised the authorities that she means to evade said laws in order to fight the evils of ignorance and oppres-

ion and lift some measure of the crushing burdens from the bodies and souls of the women of the poor. I hope you heard her - I believe so much in the righteousness of what she is doing that I'd like to work with her.

I see in this knowledge of family limitation, if generally disseminated, the greatest benefit to the human race since the discovery and general use of fire.

But - what I want to tell you is that quite unthinkingly - that is of the legal aspect - I gave my address 403 Essex bldg - and some unknown day a person will come with one of Mrs. Sanger's books for me and wish to collect 25¢ for same. As you are aware I left no quarter for this remittance. But I'm hoping you will extend so much credit until I see you - capture the book and keep it and us out of jail. Ever yours

I knew any thing about it I've

be most loathe to precipitate a

seems expedient you of course will
disclaim any authority to receive

I'd like to have it.

It's been raining gloriously
here for two days - but I've been
making calls as tho 'the sun were

This county seems to be a chess-board

able to check-mate successfully the
visiting organizer at every turn.
I shall know after tomorrow afternoon

Dear Mrs. Briggs:

Under separate cover I am sending you sample copies of the new leaflet and flyers that did not get to the Conference.

The price of the two picture flyers is 95¢ a thousand; \$4.50 per 5,000; \$8.00 per 10,000. The two small flyers belong to the Baby Flyer Series, and are \$2.35 per 5,000; \$4.25 per 10,000. The Better Babies leaflet is one of our single leaflets, price, \$1.75 per thousand; \$8.25 per 5,000; \$15.50 per 10,000. These prices do not include transportation.

You will find the two "country flyers" especially useful. These flyers fill a long-felt need for material that would have a strong appeal to the country woman.

It was a great pleasure to meet you and the other girls who are active in suffrage work in Minnesota, and I shall always be particularly interested in hearing from your office.

Dear Madam Chairman:-

We have sent you several hundred of the enclosed circulars, giving information about the Chicago and St. Louis demonstrations. Will you see that these circulars are distributed from your state headquarters.

Mrs. Passmore of St. Louis and Mrs. Bass of Chicago are more and more hampered by the failure of the states to send information about the number of persons who will go from each state to Chicago and St. Louis for the demonstrations. Will you communicate at once with Mrs. Bass and Mrs. Passmore giving such information as you have about your own state delegation. If possible give a list of the persons going, state whether they have already secured accommodations or whether you desire to make reservations and if so, state definitely what reservations you wish to make. If you cannot give definitely the number of persons who will attend, give the approximate number.

You will note from the enclosed circular that the committees on arrangements in both cities desire information about the banners which your state intends to carry. Will you please include this information in your letters. In St. Louis the plan is to have uniform state banners and these banners must be ordered from the equipment committee, Mrs. J. A. Goodwin, chairman, 19 F Railway Exchange Building, St. Louis. I cannot tell you what the banners will cost but they probably will be inexpensive since every effort is being made to keep expenses down. The parasols for the St. Louis demonstration can be purchased in St. Louis and will cost fifty cents each.

Minneapolis, May 17, 1916.

Dear Fellow Suffragist:

We are enclosing a list of the delegates and their alternates from your district to the National Republican and Democratic conventions which will be held in June. The Republican convention will convene in Chicago June 4th and the Democratic convention in Saint Louis June 17th.

In each district of the state, large deputations of women are being sent to the delegates to urge them in tactful, dignified, forceful and intelligent manner, to vote for the insertion of a suffrage plank in the party platform. The plank in each case is to read simply, "We favor the extension of suffrage to women."

Will you not help to arrange deputations to visit the delegates in your district? You should make as much publicity as possible about this call upon them; go in large numbers, carry banners and have autos decorated in suffrage colors. Let the newspapers know of the intended visit. Have several women speak and impress the delegate with the fact that not only the women of his district but many men want him to vote for this plank. Even if you know your delegate is unfriendly to our cause, he should be visited so that he cannot say the women in his district do not want the vote.

We shall be glad to send you additional information and will hope to hear from you very soon as to what your women can do.

Cordially yours,

STATE COMMITTEE ON PARTY PLANKS
and
CLARA UELAND, STATE PRESIDENT.

P.S. We also want to tell you that Miss Margaret Foley, the well known suffrage campaign worker of Massachusetts, will spend a week in Minnesota immediately following the Mississippi Valley Conference. Miss Foley is a wonderful speaker, especially for out of doors, and has won many thousands of converts to the cause. Would you not like to get up a meeting for her in your county? This must be before the Republican Convention meets in Chicago June 5th. Please talk this over among your members and let us hear from you as soon as you can.

The Womens Journal is sending Miss Foley out on this speaking tour and paying her expenses. Her charge is \$5.00 for an afternoon meeting, \$15.00 for an evening meeting. If your local association is not able to take care of this expense, the State Association will guarantee to send Miss Foley to you if you can get up a good, big meeting for her. We would not want you to lose this fine opportunity to hear a nationally prominent suffragist. What date would you like us to save for you?

Clara Ueland, Pres.

May 18, 1916.

My dear Mrs. Stevens,-

Can you tell me who is the VERY best person to whom to write in regard to a deputation of Laverne suffragists to call upon the Republican delegate, Mr. Christopherson of Laverne?

Or would you think it would have more effect coming from you, since you have so recently met those people there? I should be glad at least to have you write to the person you may designate, to sort of second a letter from here, as it were. Mrs. Ueland and I are now writing to any good suffragists whose names we happen to know, and to our leaders of course in those districts where we have organized, asking that these deputations be gotten up immediately and calls made upon the delegates before they leave for their respective conventions in June.

Any suggestion you can give me about Mr. Christopherson will be appreciated. I recall all you have written me about his wife, I think. Pressure must be brought to bear, I presume, by some one who stands very high in the community in order to impress the Christophersons. Would some of the women from Worthington assist and lend weight to the affair?

Cordially,

P.S. We have a big bunch of Tom Reed's speech already to send to you when I know a new address. You can frank them you know, and they are fine with the farmers. EDB

May 19, 1916.

Mrs. C. F. Moller,
Pinewood, Minn.

My dear Mrs. Moller:-

The National Suffrage Association is undertaking to persuade the Republican and Democratic conventions (meeting in Chicago June 7th and in St. Louis June 17th) to adopt planks in their platforms indorsing the principle of suffrage. They are asking us to get up deputations to all of the delegates from this state, urging them to support such a measure.

I wonder if you could give some time to this work and visit some of the towns in your part of the state. The towns that we would like to have you visit are

Bronson,	(Kittson County)	E.M. Engelbert, Dem. delegate
Argyle,	Marshall "	O.L. Melgaard, Rep. "
Warren,	Marshall "	Julius J. Olson, Dem. "

and perhaps,

Frazer,	Ottertail "	L.W. Oberhauser, Rep. delegate
Perham,	" "	M.J. Daly, Democratic "

Mr. Daly and Mr. Olson are regular delegates; Mr. Engelbert, Mr. Melgaard and Mr. Oberhauser are alternates. We think the alternates should be seen also in case they are called upon to serve.

Wont you write me at once if you can undertake this; as you perhaps know, both our organizers are now working in Iowa so that we are much handicapped with the work in our state.

Cordially yours,

CU:B

May 19, 1916.

Mrs. G. L. Jacquot,
Ivanhoe, Minn.

My dear Mrs. Jacquot:-

The National Suffrage Association has opened a nation-wide plan to get the Republican and Democratic conventions meeting in Chicago June 7th and in Saint Louis June 17th, to indorse the principle of suffrage by inserting a plank in their platforms saying, "We favor the extension of suffrage to women." To do this, they are asking the suffragists of each state to send deputations to the various delegates to these conventions urging them to pledge themselves to vote for such a plank. We are making our plans to carry out this idea as widely as possible in Minnesota.

In the town of Marshall, (Lyon County), Mr. Tom Davis is a Republican delegate from the 7th Congressional District and Mr. E. F. Whiting of Balaton (same county) is a Republican alternate. Can we persuade you to go to these two towns, find what women are for suffrage and get them to call upon these men? If they are opposed to woman suffrage they should be visited just the same in order that they may not say in the convention that the women in their district do not want the vote. If your club is not in a position to pay your expenses, we will be glad to do so. These towns are really not in your district (since you live in the 2nd Congressional District) but you are the only suffragist we know of near these two places.

In this connection, I want to speak to you about something that Mrs. Catt put into our minds. You may have heard her say that we should have an organizer in every congressional district. We are unable to afford an expensive, imported organizer in every district but we might train up some of our own women, beginning by paying their expenses and perhaps later being able to pay them a salary. I wonder if you would consider such a proposition.

Mrs. Jacquot, -2-

I do not mean for you to give all your time to it. Wont you think it over and write me what you think of it.

Please let me know as soon as possible if you will be able to undertake the deputations. Our two organizers are both working in Iowa, as you know, so that we are handicapped in our state work.

Cordially yours,

CU:B

P.S. You of course know of the parades in Chicago and Saint Louis. I enclose leaflets giving more information about these two demonstrations which you may give to some of your women in Ivanhoe who may plan to attend these gatherings.

May 19, 1916.

Miss Josephine Brouwer,
Saint Cloud Normal School,
Saint Cloud, Minn.

My dear Miss Brouwer,-

In accordance with a nation-wide plan to influence the Republican convention held in Chicago June 7th and the Democratic convention in St. Louis June 17th to adopt a plank in their platforms favoring the principle of woman suffrage, we are trying to get deputations of women to visit all the delegates from Minnesota to these conventions, urging them to vote for such a plank. Mr. George E. Hanscom of Saint Cloud is one of the delegates from the 6th Congressional District and Mr. Fred Schilplin is one of the Democratic delegates, also from your town. We want the suffragists to form a deputation to visit these two men. If they are opposed to suffrage the should be visited just the same so they cannot say that the women of their district do not want the vote.

Will you set this thing in motion for us? Of course it is desirable that the deputations should be large and made up of influential women, or men and women for that matter. But if you are unable to get large deputations, why get what you can. I should write to Mrs. Atwood but suppose she has gone to New York and will not be back in time. Please let me know as soon as possible what are the prospects in Saint Cloud.

Also, I enclose two leaflets giving information about the two big demonstrations to be made by suffragists in connection with these two conventions. You, I presume, will not be able to get away to go to either place, but some of the Saint Cloud women may go.

Cordially yours,

CU:B

May 19, 1916.

Mrs. W. W. Lawrence,
2108 Woodland Ave.,
Duluth, Minn.

My dear Mrs. Lawrence:-

I am very sorry indeed to hear that your work is not going as smoothly as we hoped in Duluth. You must pardon my delay in answering your letter; we were all so busy during the Conference time. I have thinking over the situation however and wondering what should be done.

We have learned lately that Mrs. Carssweller has been quite sick. I sincerely hope she is better. I wish I could see you personally to talk over the situation with you. Of course it is a pity to give up a certain piece of work for something that is doubtful, but I cannot believe but that your organization work will before long get under way.

There is something that I want you suffragists to do at once and I write to you as you seem to be the most active worker there just now. I will however write a letter to Dr. McCoy and I believe she will help in this. The National Association has started a plan for a nation-wide effort to get the Republican and Democratic conventions (held in Chicago June 7th and St. Louis June 17th) to adopt planks in their respective platforms indorsing the principle of suffrage to women. To do this, they are urging all suffragists in the country to get up deputations to visit the delegates to these two conventions, asking them to pledge themselves to vote for such a plank.

In your district (the 8th Congressional) Mr. Millie Bunnell is a Republican delegate and Mrs. Ches. A. Congdon a Republican alternate; Mr. Douglas Greeley and Mr. John Jenswold, Jr. are Democratic delegates. Will you call together some of your best suffragists and ask them to help you carry this out? If these men are opposed to suffrage it is all the more necessary that they be visited so that they cannot say the women of their district are not interested in obtaining the vote.

Mrs. Lawrence, -2-

Wont you please let me know as soon as possible
if you can carry this out for us, visiting the Republicans
before June 7th and the Democrats before June 17th.

Cordially yours,

CU:B

P.S. You doubtless know of the big parades that are
being planned by the suffragists to take place in Chicago
and St. Louis at the time of the party conventions. I en-
close two leaflets giving more information in regard to these
demonstrations and if any of your Duluth women can go and are
making their plans to do so, they should send in their names
at once, as specified in these leaflets. We would like to
have Minnesota well represented.

My Dear Mrs. Briggs:

It just struck me that perhaps I wasn't receiving any mail from the north because I hadn't informed you of a forwarding address. From day to day I have hoped to move on but a letter from Miss Dunlop advised that I remain here until I had made a dent. - It's a peculiar situation here - Every body lovely to me but apparently playing a fine subtle game with each other. I have found two women no three and three men whom I believe to be genuinely sincere - but every time any two of them start to do any thing it seems to set into action an automatic check-mate. It is entirely maddening and saps one's vitality. Last night had a good meeting at West Bend, village of 700

population. Between 125 and 150 in audience - good representatives people. I'm trying now to get in touch with Chairman in Kosciuszko County and am waiting for A.D. call now. Have to talk to her before giving future address -

Have just succeeded in learning that Mrs. Kenefick (Chm Kosciuszko) is in the hospital - Send mail that will land at Algona for delivery & up to Wed. inclusive to The New Algona Hotel

Both the County and town Chm of this place are in hospital. Are women strong enough to vote?

My soul is embittered this morning, perhaps, owing to the circumstance that three days tramping in the rain gave me a grippe and a sleepless night at West Bend coupled with rising for a 5 o'clock train has not improved it.

But every thing will be all right after June 5 -

May 20, 1916.

Mrs. Peter Olesen,
Cloquet, Minn.

My dear Mrs. Olesen:-

I suppose you are going to the Federation meeting in New York but if by any chance you are not going, could we get you to do some work for suffrage in your part of the state? In accordance with a nation-wide plan, we are trying to get deputations of women to visit the delegates to the Republican and Democratic conventions held in Chicago June 7th and in St. Louis June 17th, to urge them to vote for a plank in their respective party platforms indorsing the principle of woman suffrage.

From your Congressional District, the 8th, there are delegates from Two Harbors, Hibbing and Moose Lake, and other towns. The Duluth suffragists will of course take care of the four delegates from Duluth, and we would like very much to get you to go to these other places mentioned, find out who are some of the suffragists and to go with them to those delegates asking them to do all they can toward getting this plank put into their platforms. If these men are opposed to suffrage they should be visited just the same in order that they may not say the women of their district do not want it. We would pay your expenses of course. Please let me know at once if you can undertake this.

You may have heard Mrs. Catt say that we should have an organizer in every congressional district. We cannot at present raise the money to finance expensive, imported organizers. We must try to train some of our own women. I am wondering if you would consider such a proposition. It need not take all your time. In the beginning you would have your expenses paid and later you should have a salary. Would you be thinking this over.

Our pressing need just now is to get deputations to these delegates. Please let me know at once if you can help in this.

Yours most cordially,

My dear Mr. Edwards:-

In behalf of the committee of the Mississippi Valley Suffrage Conference I want to thank you for your contribution of \$25.00 towards the expense incurred by the conference.

Our out-of-town delegates all expressed enthusiastic appreciation of Minneapolis and were unanimous in saying that this conference was the best that has ever been held. We are very grateful to you and others who helped make it a success.

May 22, 1916.

Miss Leone Erie,
Kinbrae, Minn.

My dear Miss Kinbrae:-

We here at Suffrage Headquarters sincerely hope you are still within our state, and at Kinbrae or near there. Mrs. Stevens has written us ~~how~~ she wrote you and asked you to do some work for her, and of ^{now} ~~of~~ splendidly you responded. For the willing suffrage worker there is always something we want her to do and now I write to ask if it would be possible for you to undertake something that is very important for the cause and which must needs be done very promptly.

The National Suffrage Association is making a nation-wide effort to influence the Republican and Democratic conventions (meeting in Chicago June 7th and in St. Louis June 17th) to insert in their party platforms a plank indorsing the principle of woman suffrage and are bringing to bear all possible pressure on the delegates before they leave their respective states. They have asked the suffragists of each state to send deputations to wait upon the delegates from that state, urging them to vote for such a plank. One of the delegates to the Democratic convention in St. Louis comes from Fulda which is near your town, and we wish very much that you would undertake the work of getting up a deputation to call upon him. You should of course have as large a deputation as possible and get as much newspaper publicity from as you can. But do not be discouraged if you succeed in getting but a few; go with as large a number as you can and have two or three speak; perhaps you can get some of the men who believe in woman suffrage to be in the deputation.

The delegate is Mr. C.H. Helweg of Fulda. We do not know how he stands on suffrage but even if you know he is opposed to it, he should be visited just the same so that he cannot say that the women of his district are not interested in obtaining suffrage, as many men have said.

We are asking suffragists all over the state to do this work for us, assigning them to work on the delegate who lives nearest them so as to make it a hardship for no one. We here in Minneapolis plan to send all our deputations at the same time, Monday forenoon next, and gather at a big luncheon immediately afterward. We hope that our fellow suffragists out in the state will be visiting the delegates from their districts sometime during the same week. Our press chairman is sending out to country papers a bulletin telling of this important work undertaken by suffragists all over the state of Minnesota.

Wont you please write us at once telling us what you have been able to do about it and at what time your deputation will call upon Mr. Helweg. You probably know women in Fulda who are suffragists and if so, by all means take them with you when you go to him. Would you like a few pennants from Headquarters to carry?

Hoping to hear from you in a day or two, we are

Most cordially yours,

P.S. I was very much in hopes that you might be able to attend the Mississippi Valley Conference. Mrs. Stevens looked for you every day as she thought you might perhaps be returning to Montana and would be in Minneapolis enroute.

If you cannot be in Kinbrae and neighborhood to get up this deputation, could you turn this letter over to some one who will take care of it?

Mr. Frank A. Day,
Fairmont, Minn.

My dear Mr. Day:-

There is a nation-wide effort to get the Republican and Democratic conventions to include a plank indorsing woman suffrage in their platforms. In order to do this we want to send out a petition signed by prominent men in both parties, to the delegates of Minnesota. Will you be so kind as to send us a list of prominent Democrats in the state outside the Twin Cities who are likely to be in sympathy with this measure?

Cordially yours,

Mrs. Andreas Ueland,
Minneapolis Minn.:

Dear Mrs. Ueland:

In reply to your letter of the nineteenth I am so sorry to write as I must. At present I find it well nigh impossible to give any time to the work for suffrage and it would take a great deal of time and effort to persuade any considerable number of women to join a delegation to wait upon Mr. Bullwain. I should be willing to join such a delegation but I could not do the speaking. I have never attempted any thing of the kind. I can only reiterate what I have said before; I am not at all the right person to act as leader in this work and accept the leadership only because no one else seemed willing to do even the little that I was able to do. A good many persons here favor suffrage but I find almost no one willing to work for it.

If you think it worth the effort - I might be able to get a petition signed to send to Mr. Sullivan.

I do not think any one from Stettin is present in the parade in Chicago or St. Louis. I sent a hundred post-cards to those who had signed the enrollment - cards telling them of the next meetings in Minneapolis and the one in St. Paul and I do not know of one person who attended any meetings.

My dear Mrs. Wilson:-

Next to a good deputation to Senator Sullivan, I think a good, big petition would be the best thing and I want to ask you to get it up. It should be signed by both men and women and should first state that a nation-wide effort is being made to get a suffrage plank included in the Republican platform and asking him to favor it.

Of course, I know it is just a form, but it is very valuable I am sure as making it impossible for him to say that the women of his district are not interested.

Dr. Mary McCoy,

My dear Dr. McCoy:-

You probably know the suffragists all over the country are bending their efforts now to getting a suffrage plank in the Republican and Democratic platforms. We are trying to get deputations of women to go and see all delegates and we very much want something of that kind to be done in Duluth.

I gather from a letter from Mrs. Lawrence that the organization work seems to be temporarily indisposed in Duluth but I am sure it will revive again. I am sorry that Mrs. Crassweller is ill. I have written to Mrs. Lawrence asking her to get up deputations to visit the delegates who live in Duluth, who are:

<u>Republican</u>	:	<u>Democratic</u>
Millie Bunnell, delegate	:	Douglas Greeley, delegate
Ches. A. Congdon, alternate	:	John Jenswold, Jr. "

Will you not help her in this? We always have to fall back on you as our standby in any suffrage effort.

I was disappointed that you were not down to the Mississippi Valley Conference. It was fine--a success in every way--and I am terribly sorry you missed it.

Dear Mrs. Briggs —

The franked leaflets duly received and they are needed — The trouble will be getting the addresses where they would do the most good —

Think the work is more advanced in this country than in Palo Alto and there is no quarrel among the workers. Am so tired to night can hardly hold the pen —

Have talked all day — Long distance committee meetings and to individuals — Have written press notices, handbills and eight letters tonight — I'm getting most tired enough to go to bed —

Dear Suffragist:-

At a meeting of the Committee to make plans for the Suffragist Parade in Chicago it was decided to select the Chicago, Milwaukee & St. Paul Railway as the official route for our organization.

Arrangements have been made for enough special sleepers to accommodate our party to be attached to the Pioneer Limited train, leaving Minneapolis at 8:00 P. M. and St. Paul at 8:40 P. M., Sunday, June 4th. The round trip fare from the Twin Cities to Chicago is \$19.00. The lower berth rate each way is \$2.00, upper berth \$1.60 and drawing room \$7.00. Each berth will accommodate two people and the drawing room five.

For information about accommodations in Chicago write to Mrs. Geo. Bass, 604 Tower Building, Chicago.

For reservations in sleeping cars communicate with Mr. W. B. Dixon, Assistant General Passenger Agent, C. M. & St. P. Ry., 365 Robert Street, St. Paul, or Mr. C. R. Lewis, City Ticket and Passenger Agent, 328 Nicollet Avenue, Minneapolis.

In order that the Chicago, Milwaukee & St. Paul Railway may arrange for a sufficient number of sleeping cars, you are urged to apply for reservations as early as possible.

Yours very truly,

CLARA UELAND,

President.

Miss Florence G. Youmans,
Winona, Minn.

My dear Miss Youmans:-

Your card to Mrs. Boland received this morning and she has asked me to write you further about the deputation. The Y.W.C.A. work is a worthy cause and we wish you all success in your finance campaign. While you are working on that, can not some of the rest of your suffrage club be planning the deputation, calling up the different suffragists by phone and asking them to be one of the number that goes visit Mr. Lamberton? This of course is only a suggestion as it is now likely, we can understand, that most of your active suffrage workers are also the workers in the Y.W.C.A. campaign.

Then as to the date, it will perfectly all right for you to see Mr. Lamberton later. He is a Democratic delegate and will not leave as early probably as the Republican delegates. You should learn when he expects to leave Winona and make an appointment with him to see the deputation a few days before. Do not forget to write us details about your deputation so that we can use it for newspaper stuff in our weekly bulletin. Get as much notice in your local papers about the deputation as possible. We feel that Winona has such a fine group of women and good suffragists that the Lamberton deputation will be one of the best in the state.

We are sorry you feel you cannot help with the same work in Lake City; can you suggest any one to whom we could write? We would be most grateful.

Most cordially,

May 26, 1916.

My dear Mrs. Stevens:-

In your letter of the 23 you say nothing about the matter of a deputation to Mr. Christopherson of Luverne. I am very anxious to try to get something started in his direction, and would write to the Worthington women if you give the word. Perhaps I shall anyway if I get nothing from you tomorrow. He is a Republican delegate and will be going to Chicago about Sunday, a week, I presume. Mrs. Ueland thinks the delegate from here leave Sunday evening, perhaps on the same trail the suffragists do.

Your previous letter concerning the Sanger lecture was duly received and not answered simply because I have been so busy with the deputation letters. I did get to the lecture, the very late--eight thirty or after, and was deeply impressed by her talk. Perhaps the subject is full as important as you estimate it to be; I feel I am too ignorant to know the I am amazed to learn that there are people who do not even know as much of it as my mother's old "family doctor book" contained and which was the first source of my information. I too committed the offense of giving 403 Essex Bld., tho it was after some thought. I could see no harm in it, inasmuch as the books will probably be distributed by members of the Socialist club (the women's suffrage club, I fancy) and they know us well. If anything ill comes of it, however, we will "go to jail" together! - and happily. Yours,

May 26, 1916.

Miss Leone Erie,
Kinbrae, Minn.

My dear Miss Erie:-

Your letter of the 24th received this morning and we were so cheered to get this word from you, that you will undertake to get up a deputation to the delegate from Fulda. It is so encouraging to have our good suffrage workers out in the state take hold when a piece of important work like this is crying to be done.

We are glad to hear that you are to have a meeting in Kinbrae and wish you all success. We mailed you yesterday a package of literature for free distribution which we hope will aid you in your effort to furnish information to all who are interested. We shall be glad to send more anytime you think you can use it. Wont you let us know of any supplies you think you can use. We will to-day send you a few pennants and banners to carry if you wish to do so. If your deputation is a small one perhaps your women will not want to carry these; it is sometimes thought best to go without the decorations if your group is not large enough to form a line of march. The important thing is to call upon the man and show him there is interest and sentiment among his constituents for suffrage for women, whether the number of callers be many or few. But get up the best group of women (or men and women) you can.

We note that in our first letter to you we misstated the date of the Democratic convention; it is the 14th instead of the 17th, as was given. But we presume you saw this error from the little folder which was enclose, where they were given correctly.

Miss Erie, -2-

We in Minneapolis are, as written you previously, sending most of our deputations on the same day. Some of the Democratic delegates will be interviewed later in the week as they will not be leaving so early.

We enclose herewith a few enrollment blanks as you can no doubt get a number of persons to sign at Fulda when you are there with the deputation. We hope you will find a number of men and women there who believe in equal suffrage and will go with you to call on Mr. Helweg.

In the package of literature sent you yesterday were included a number of copies of the speech made by Hon. Thos. B. Reed in congress a few years ago which is very good suffrage propaganda. These are enclosed in envelopes franked by Senator Clapp, as you will notice, and are all ready to be addressed and mailed without postage. Could you not later, after the deputation work is finished, mail these out to farmers and others whose names you know? We are very anxious to get them into the hand of everyone we can and we will send you more of them if you can use them. Later the same persons could be sent other literature from headquarters.

Again wishing you the best of success and assuring you of our deep appreciation of your efforts, we are

Most cordially,

SECRETARY

May 26, 1916.

Mrs. Carl Wold,
Alexandria, Minn.

My dear Mrs. Wold:-

Mrs. James A. Peterson of Minneapolis has written you about deputations of suffragists to visit the different delegates from Minnesota going to the National Republican and Democratic conventions (meeting in Chicago June 7th and in St. Louis June 17th) and has told you I think of our great need of finding someone out in the different congressional districts who could undertake this work for us. We can of course write these men but a deputation of local women is really much ^{more} effectual.

In checking over the map and the delegates' names, we find that those nearest you would be Melrose and Fergus Falls, both on the railroad line from Alexandria, but neither in your Congressional District. Then there is Herman in Grant County from which town comes a Democratic alternate, Dr. T.M. Thayer. This is the only one near you who is from your district, but I do not think this matters a great deal and we should be more than pleased if you could something toward getting a deputation to the delegate from Melrose, or Fergus Falls, or both. What could you do in either of the three places, Mrs. Wold? Will you not please write us at once as to what you think you can do. Or in case you can go ahead without the delay of writing, we will give you the names; the first man to see would be the Republican delegate as that convention convenes June 7th (Chicago); this is Mr. A. G. Anderson of Fergus Falls. Could you get some of the most influential women of that town who are suffragists to go with you and call upon Mr. Anderson, urging him to do everything he can to have a suffrage plank inserted in the Republican platform. Tell him that this is a nation-wide movement and that many women of his district are interested in obtaining suffrage. Have men join your deputation also if there are those who believe in suffrage for women.

Mrs. Wold, e2-

The delegate from Melrose is a Democrat so will not be leaving so soon probably, as the Democratic convention does not convene until June 17th. This man is Mr. Wm. E. Donohue. Could you see him also and take with you some of the prominent citizens of Melrose. You are no doubt acquainted more or less in these two towns, are you not?

The man from Herman we have mentioned, Dr. Thayer. You could no doubt go over there by automobile, taking with you some of your good Alexandria men and women suffragists.

Even if you know these men are opposed to suffrage or lukewarm on the subject, they should be visited just the same in order that they cannot say the women of their state and district are not interested. Please write us what you can do and if you can undertake this work, please write us when and where you will go, send us the names of those who go with you, etc. Get as much newspaper publicity out of it as you can.

Hoping to hear from you very soon,

cordially yours,

SECRETARY.

May 26, 1916.

Mrs. W. A. Shepard,
Kenyon, Minn.

My dear Mrs. Shepard:-

We had your enrollment from Dr. Ethel Hurd after she had visited your town and now come to you with a very important piece of suffrage work which lies in your vicinity. Dr. Hurd is so warm in her praise and recommendation of you and your ability that we feel we could go to no one better and are thankful that we have so splendid an ally in your part of the 3rd Congressional District. As you doubtless know from your attendance upon the recent Conference here, the National Suffrage Association is making a nation-wide effort to influence the two big parties in convention in June, to insert a plank in their platforms favoring the principle of woman suffrage. In order to do this they want each state to bring all possible pressure to bear upon the delegates before they leave their homes for the conventions, and we in Minnesota are trying to do our share of this work.

Republican

One of the delegates of the 3rd District comes from Zumbrota and as we have no suffrage members there we call upon the next nearest neighbors, which is Kenyon suffragists. The Zumbrota man is an alternate, rather than delegate, but it is highly important we feel to visit every one of them. What we would like to have you do is to get up a deputation of women, (or men and women) to call upon Mr. S. F. Scott before he goes to Chicago for the convention, which opens June 7th. Could you not get a number of your Kenyon friends to go with you, then find out who are suffragists in Zumbrota and have them join you, and all together go and see Mr. Scott urging him to work for and vote for a suffrage plank in the Republican platform. Even if you know that Mr. Scott is opposed to suffrage, he should be visited just the same in order that he may not be able to say that the women of his district are not interested in obtaining the ballot, as many men have said.

Shepard, -2-

You may be acquainted in Faribault and perhaps there are suffragists there who could come over to Kenyon and join you when you go to Zumbrota. At any rate we believe that you will have no great difficulty in getting up a nice deputation. Do not be discouraged if you do not have an immense crowd to go; a deputation should of course be as large and as impressive as it can be made, but a few is better than none at all. Have two or three speak if you can, just a single address, telling of the effort that is being made in every State in the Union to urge the delegates to Chicago and Saint Louis to vote for a plank indorsing the principle of woman suffrage.

If you would like a few pennants to carry with you, we can lend you some from here. Get as much newspaper notice as you can from the affair, and would you please write us, Mrs. Shepard, all about your plans, what date you set upon to go, etc. Our press chairman can use all this in her newspaper stories, and it all helps out in the state. You should make an appointment with Mr. Scott, no doubt, before you go, so as to be sure of seeing him. But all these details we know we can better leave to your judgment.

Hoping to hear from you very soon,

Cordially yours,

STATE PRESIDENT

My Dear Mrs Briggs

Your letter of the 18th just received this morning - I think the trouble was that I didn't call at the P.O. as was receiving mail every day at hotel - Will know better next time.

The leading women of Luverne are in the Tourist Club - of which Mrs. Christopherson is a member and held in high esteem - Perhaps you have record that she fancies herself an anti. She's the type of woman who should ^{and could be} an earnest and efficient suff.

Mrs. G. J. Martin is Pres. of the Club - thorough suffragist and willing to work for it.

Mrs. Bert La Due has great influence

Mrs. B. J. Bertram - Suff - pleasing type

Mrs. P. V. Gilham - has done suffrage work as temporary chm of the town or some

WAVERLY HOTEL

Part of it. I do not know whether
last named is member of Tourist
but they of course all know her well.

Any one of these could pull of a
delegation if she would - Perhaps
the very best is Mrs. Martin. When
I was down there a suffrage debate in
the Club was pending - Mrs. Christopher-
son and a Max Brown (I think E. S.)
were to take the Anti side, Mrs. Martin
and a Mrs. G. L. Sherman the right side.
I never heard what was the result - whether
there were hair-pullings or conversions, but
all of these women have known young
Christopherson for a long time and
ought to know some way of ~~not~~ bring-
ing it to his consciousness that they
want his support for a Plank at
Chicago - Do you know is there
to be a delegation for Geo. Sullivan at
Stillwater?

I will try to send a letter or two
to Linnell - I'm fairly beset

with the situation here. It promises to be fair for the beginning of our tour tomorrow - but tho' four to six autos are promised I do not know that one will show up or any one to ride in it. I could write a long and uncharitable letter but I have no time - How are the delegations coming? And the delegates for the jubilee at Chicago - Must hasten and do forty things - I'll appreciate getting "back home" -

see what we could do.

Now we that we would like to have [3]
one of your letter heads, to enclose with
it, giving him some idea of officers,
Advisory Committee's, &c. Some of the
men named on these Comps. might
have some farming on him. I do not
know, Mr. Scott, or what his ideas are
on this question, but rather imagine
he would oppose it.

We want to get our letter of by
the middle of next week, Will write
you later our success in getting
signatures to our petition.

Yours very sincerely
(Mrs Wm) Elizabeth Shepard

as rail way trains only run
one train a day between here
and Quimbota so it would take
two days that way, and the
roads from constant rains are
very uncertain. We could
not make an appointment
with any one and be sure
we could meet it. However,
we thought we would write
Mr. Scott - a letter letting
him know we are interested
in having him work to
secure a suffrage plank
in the Republican platform.
We also intend to draw up
a petition to that effect, and
get as many people, both
men and women, as we
can to sign it, and send
it with our letter.

Mrs. Clara Ueland,

403 Essex Building,

Minneapolis, Minn.

My dear Mrs. Ueland:

In reply to your kind favor of recent date will say that I am in hearty sympathy with the plan to secure an endorsement of Womens' Suffrage in the platforms of the Republican and Democratic parties at their Conventions next month. I am, therefore, enclosing petition herewith.

With best wishes, I am,

Very truly yours,

Frank Nelson

May 27, 1916.

Miss Pape L. Quayle,
c/o State Normal School,
Saint Cloud, Minn.

My dear Miss Quayle:-

Mrs. Ueland, the State Association president, has asked me to write you about a very important piece of suffrage work that should be done at once in your city. You doubtless know of the nation-wide effort of the National Suffrage Association to influence the Republican and Democratic parties to insert in their platforms a plank indorsing the principle of woman suffrage. In order to do this more effectually, they have asked each state to have its suffragists call upon all the delegates before they leave their homes, urging them to do all in their power to have this plank put into the party platform.

There are two delegates from Saint Cloud, one a Republican and the other a Democratic delegate. We want to ask if it will be possible for you to undertake the work of getting up a deputation of local women (or men and women) to visit these men. The Republican delegate is Mr. Geo. E. Hanscom and the Democratic Mr. Fred Schilplin. We do not know how these men stand on the suffrage question but even if you know that they are opposed, they should be visited just the same so that they cannot say the women of their district are not interested in obtaining the vote, as many men have said. Your deputation should of course be as large and as impressive as you can make it, but if you can get only a few to go, call upon him with as many as you can get. Mrs. Atwood would of course assist in this if she were at home, but we understand that she is at the Biennial. You should get as much newspaper publicity out of the visit as possible.

Please write Mrs. Ueland what you think you can do and what date you set for the deputation to call upon the delegates. The Republican convention convenes in Chicago June 7th and the Democratic in St. Louis June 14th. For this reason of course, Mr. Hanscom will probably be the

Miss Quayle, -2-

first to leave. Appointments should not doubt be made with them so as to be sure of an interview. We in Minneapolis plan to send all our deputations the same day, Monday next, after which we will all meet downtown at luncheon. The 9th Congressional District is being taken care of next week by Mrs. Charles F. Moller, other districts will send deputations of local women, and we very much hope that the 6th District may be well looked after, at least in so far as St. Cloud is concerned.

Letters will also be sent these men in a few days, but we feel there is nothing quite so telling as a request from local people that a delegate stand for a certain measure. We hope to hear that you can do this for the cause, and await your reply.

Cordially yours,

Secy.

Julius J. Olson,
Warren, Minn.

Dear Sir:

Delegations from the Congressional Union are visiting each delegate to the Democratic and Republican National Conventions, offering 4,000,000 women's votes to the party which will put a suffrage plank in its platform, and threatening with defeat the one that does not. In industry these tactics would perilously resemble the boycott; and in private life, blackmail. But let the ethics pass, and consider only the facts.

The census of 1910 says that there were 3,665,000 women over twenty-one years of age in the twelve double-suffrage states. On a fair estimate, confirmed by Mrs. Catt herself, these states do not contain 2,000,000 voters.

In no state have as many as 50 per cent of the qualified women voters gone to the polls at any election. In no state have they ever voted with anything like unanimity on any issue. Men do not; and women, for the same sound reasons, never will. The nearest approach to it would be their vote against suffrage, if that were submitted to their decision alone.

There is not and there never can be a woman's party in politics. The man with convictions need not fear such threats, and must not put faith in such promises without foundation. The Congressional Union blacklisted eighteen congressmen in 1914 who had not obeyed their orders, and all of them were elected. The hostility of the suffragists could not carry a single district. The vote of the men whose wives have expressed no desire for suffrage is a much more powerful factor in deciding the result in every state and every congressional district in the United States.

The vast majority, at least nine-tenths of the women of the country, have never declared for suffrage; they are either indifferent or opposed. Because of these conditions we ask you to stand for the real rights of women, and the rights of the states to decide for themselves who shall be admitted to their electorate.

We ask you to protect the women who have not asked for political franchise, in one of their most valued privileges--the right not to vote.

Mrs. Frank T. Wilson,
Stillwater, Minn.

My dear Mrs. Wilson:-

Your letter just received this morning and Mrs. Deland asked me to get in touch at once with some of the Saint Paul women to find if they could assist your Stillwater association in the work of getting the deputation up to call on Senator Sullivan. We realize that a deputation or a petition is quite a task for a woman who has many other duties to take up her time, while at the same time one would be glad to join such a deputation on its visit to the delegates. The Saint Paul women have sent most of their deputations and are now in position to help some of their less fortunate neighbors. Mrs. J. C. Holman and Mrs. Frank Williams have promised to set this thing in motion and Mrs. Holman will phone you as to details, when they will come to Stillwater, where your women can join them, etc.

I have not arranged with Mrs. Holman as to whether you or she will make the appointment with the Senator, as I thought it better to leave that for you and Mrs. Holman to settle. You might find out if you can if he is to be in Stillwater this week, and Mrs. Holman will phone you as to whether she would like you to telephone or see Mr. Sullivan as to when the women could see him. Then will you not tell your officers and your most interested suffragists of this plan and ask them to be ready to join the deputation. We feel sure that most of your women will be glad to do so. You have such a splendid enrollment at Stillwater that we are sure it is only necessary to start the ball rolling and you will have a most impressive group of people to call on any delegate from the 43rd District. Mrs. Muzum will no doubt be able to join with you and to get good publicity for the affair also.

Mrs. Wilson -2-

Could you not also include some of your strong men suffragists, do you think? It would be very telling if you could do this.

Then there are your Mrs. C. A. Newman,
Mrs. E. C. Clapp,
Mrs. G. E. Clark,
Miss Antoinette Doe,
Mr. and Mrs. W. E. Easton,
Mrs. H. K. Huntton,
Mrs. Chas. E. Jamieson,
Mr. and Mrs. Geo. Krueger,
Mr. J. R. Kolliner, (and Mrs. Kolliner)
Miss Marjorie Lee,
Mrs. O. E. Lee,
W. C. Masterman, (and Mrs. Masterman)
Rev. and Mrs. McCoy,
Miss Grace Mosier,
Mr. J. G. Mackintosh,
Mrs. D. L. Mackintosh,
Miss Alice Murdock,
Mrs. Donald Mackintosh (and Mr. H.)
(this may be repetition of Mrs. D. L.)
Mrs. J. H. Searles,
Mrs. L. B. Taylor,
Mrs. J. T. Whelan.

This looks like a splendid list for material, and there are many more we have not listed. You will know of course which ones and what others to call and invite to join the deputation. We would be glad to write to all of these if you would like to have us take this off your hands. Will you kindly call us at once if you find you have not time to call them on the telephone. We want to do everything we can to help this good cause along and of course it must be done this week.

Hoping that you and the Saint Paul women together will make a most overwhelming delegation,

Most cordially yours,

SECY.

May 29, 1916.

Mrs. G. L. Jacquet,
Ivanhoe, Minn.

My dear Mrs. Jacquet:-

We were all so much pleased and cheered at Headquarters, to get your good letter that you would undertake the deputations to the two delegates from Lyon County. We hope you have had very good success from your efforts and that you are taking care of both Marshall and Balaton. Mrs. Chas. F. Moller is taking care of the whole 9th District for us, this week.

If you finish with the Lyon County work and have a few days left, could you do anything in Granite Falls? There is a Democratic delegate there and we have not yet been able to arrange with any one to see him. (we have no names of ardent suffragists living in Granite Falls), altho we have sent out a Minneapolis woman to some other points in the 7th District. We realize this is quite a distance from your home but as it is on the same line of road as Marshall, that possibly you would know some of the women there and might be able to bring some pressure to bear on Mr. E. C. Hawkins of Granite Falls. We do not want you to feel at all distressed if you cannot go over there; we are sending letters to all delegates so this will reach him at least.

We hope you will write us how you got along with all your visits to these men.

Most cordially,

SECY.

May 29, 1916.

Mrs. A. D. McRae,
Redwood Falls, Minn.

My dear Mrs. McRae:--

Deputations are the order of the day! Minneapolis is full of them today, both morning and afternoon. Saint Paul has already sent her deputations of leading suffragists to the delegates from that city. The Winona club will make their visit to their local man this week. Austin, Albert Lea, St. James, Fulda are being taken care of. The whole 9th district is being looked after by Mrs. C.F. Moller, who is going from town to town this week getting at least small deputations to the different delegates.

What have your Redwood Falls women been able to do toward seeing the three delegates from your county? We had hoped to hear from you today. Mrs. Jacquet of Ivanhoe is helping in Lyon County, seeing the two delegates from that section. We hope you will be able to take care of the three men whose names were given in our previous letter. Let us hear from you as to what plans you have made. This is a most important bit of suffrage work and some sort of effort should be made even if the number of persons is small.

Cordially yours,

SECV.

May 29, 1916.

Mrs. William Shepard,
Kenyon, Minn.

My dear Mrs. Shepard:-

Your letter of 26th just received and we are so much cheered here at Headquarters at hearing that you will undertake reaching Mr. Scott. A petition will be splendid, since the train service is so poor, and we enclose a number of letterheads for this purpose. Can you get all of your prominent men suffragists to write Mr. Scott, as well as your well known women? It will be very fine if you can do that also.

We are so much pleased at the way our suffrage friends out in the state are responding to our call to this work of deputations. Everywhere they are taking hold in the most earnest, enthusiastic way. Anything else we can do to aid you from here, we will gladly do. Our deputations are gathering here this morning and are going out in groups of six to ten women.

Wishing you the best of success with the petition and the letters and awaiting with interest your report on the matter,

Cordially yours,

Secretary.

403 ESSEX BUILDING. MINNEAPOLIS

May 29, 1916

Dear Suffragist:

We are trying to arrange a steamboat trip down the Mississippi river for all Minnesota Suffragists who wish to attend the Democratic Convention at St. Louis.

The steamboat "Quincy" of the Streckfus line with a passenger capacity of 300 will leave St. Paul the evening of June 10 at 8:00 p. m., arriving in St. Louis at 9:30 p. m. on the 13th. The plan is to stay on board the steamer that night and participate in the "Walkless Parade" the morning of the 14th. We are allowed a stop-over in St. Louis of 36 hours, returning home by boat or rail via Chicago, the round trip costing \$35.00.

We expect to decorate the boat in suffrage colors, to notify all towns and villages on the river that we are coming, to give out literature and make speeches at all the large towns enroute. The boat itself is safe, clean and comfortable.

We consider this a splendid opportunity for public demonstration and a great chance to see the much-talked-of beauties of the Mississippi.

MAKE A SPECIAL EFFORT TO GO.

Notify Miss Fisher at Suffrage Headquarters, 403 Essex Bldg., Minneapolis, at once as we must get our reservations made. Also, let Miss Fisher know if you wish time tables, etc., and they will be forwarded to you.

Anyone who wishes to go directly from Chicago to St. Louis can do so by leaving Chicago June 12 at 10:00 a. m. on the Rock Island R. R., arriving at Davenport, Iowa, at 2:15 p. m. in time to catch the Suffrage Boat Party which leaves at 3:00 p. m.

Yours truly,

Minnesota Woman Suffrage Association

My Dear Mrs. Ueland: Minneapolis Minn.

I have signed your Petition as a Democrat, and while I do not claim to be one, I am a great admirer of William Jennings Bryan and have heard him lecture many - many times and have voted for him every time he was a Candidate. Mr. Bryan is certainly right on County Option, Prohibition, and Woman Suffrage and I assure you, if I am re-elected in November I shall work and vote for Prohibition and Woman Suffrage.

Sincerely Yours H. O. Thompson

My dear Mr. Leach:-

When the Equal Suffrage Association was merged into the Hennepin County organization, all dues were abolished; therefore the work must be supported entirely by voluntary contributions.

Wishing to avoid constant appeals for money, the finance committee is asking that our yearly budget be met by monthly or yearly contributions.

The enclosed card explains our estimated expenses in detail, and we ask your hearty co-operation in prompt and generous giving.

Under the former organization your dues would be payable this month. Will you not contribute at least as much as you did before and increase the subscription if possible.

Very sincerely yours,
Helena W. Bennett,
Chairman Finance Comm.

My dear Mrs. Ueland:-

When you find out definitely what accommodations your delegation will want please inform me and we will try to please you. We still have some rooms at one of the loop hotels \$2.50 per day (for more in a room) and some rooms in private homes.

Please instruct your delegates to come directly to the Tower Building, 604, and we will assign them. We have been so rushed that we have not had time to get up lists of places and send them out. I am sure we can find desirable accommodations for all your people.

Very truly yours,

Maud Cain Taylor
