My dear Mrs. Ueland:

Most of the Republicans seem to be in favor of the appointment of Mrs. Severance for chairman of the Republican woman's State executive committee of Minnesota. Would her appointment be acceptable to the suffragists and will you be good enough to write me confidentially what you think of it?

They are also interested in having a Mrs. George Squires play an important part on the committee and I should like your opinion of her ability.

With kindest regards, believe me,

Very sincerely yours,

Miss Katherine Ludington,
55 Pratt St.,
Hartford, Conn.

My dear Miss Ludington:-

Mrs. Andreas Ueland is ill and in her absence from the office I shall undertake to answer your question with reference to averting a State referendum.

First: We polled every member of the House and Senate.

In cases of men who did not pledge to vote against the State Amendment or who had already committed themselves to a State Amendment policy, we sent organizers to their districts and had members of their home communities deluge them with letters, telegrams and resolutions from every kind of organization, men's and women's, against a State Amendment. This sort of thing was the most helpful of anything we undertook. It is difficult for a man to ignore the sentiment of his home community.

We succeeded in getting the members of the Senate committed on elections to recommend the Bill for indefinite postponement.

We kept the best and most tactful women we had lobbying at the Capitol constantly. We circularized the heads of every suffrage organization and committees in the State with bulletins headed "What is the Federal Constitutional Amendment."

This bulletin went also to every newspaper in the State accompanied by an explanatory letter begging for place for its publication. These letters to editors were not mimeographed and were each one signed personally by me as Press Chairman. We kept the press supplied with

Miss Katherine Ludington--#2.

short editorials on this subject and enclose you a few samples. Sorry we cannot send them all.

As in the case with legislators about everything, we found that we left them in a safe state of mind one night and found them completely turned around by some adverse wind the next morning. Hence the necessity for constant supervision.

We got resolutions from the State W.C.T.U., State and District Federation of Women's Clubs, fraternal orders of women, Degree of Honor, State Council of National Defense, etc. Every convention that met in the Twin Cities was asked for a resolution against the State Amendment.

In short, it was the hardest job we ever did and we raised a great deal of antagonism by fighting a suffrage measure but are nevertheless thoroughly convinced that we did the right thing and are mighty thankful for the successful issue.

I hope that this will be of some value to you. I daresay there are many little things I left out which probably will occur to you, but this was our general plan.

I met your bright little Press Chairman at St. Louis and I am sure she will be thoroughly alive to the job of handling the press side of this campaign. Tell her to pay particular attention to the recalcitrant men, having them thanked or reprimanded as the case may be in their own election districts.

Cordially yours,

(Mrs. Walter Thorp)

State Press Chairman.

P.S. I would like to draw your attention to the press sheet enclosed, thanking representatives for their vote against the State Amendment. These letters were published in the papers of the representatives electoral districts, backing them up and supporting them in their action, which to their constituents might otherwise appear to be a vote against the principle of woman suffrage.

Minneapolis,

My dear Mrs. Ueland.

I delayed answering with regard to St. Louis, thinking perhaps I might be able to go.

I enclose more signatures. The Boiler Makers union was the only one which responded but they did well.

You will be interested in the inclosed card, as I am the first woman to be elected to the Board of Ed. in this city. The Trades & Labor people proposed my name, obtained permission from Mr. Gemmell & me to place my name in file and started the petition, placing it in Judge Weiland's office to be signed. The whole campaign was carried on in the nicest way, altho I did not run on the Labor ticket for it is against their rule to run anyone but a member of a Union. I had strong opposition on the part

of those strong partisans who would wish
to fight Labor in any guise also the
conservatives who oppose women doing
these things and also one very influential
man member of the Board who likes to
have things run quietly, smoothly
in the same old way. From the time
the latter put up a strong man (who
in his part did not know I had
started in the race) I did not expect
to win. But I did. Perhaps the people
who asked me to run, were encouraged
to think I would do so, because I was
willing ^{to face the publicity} to stand for Suffrage. Who knows?
I had refused to run in previous years.
But the fact that I might do some conciliating
made me have to refuse the Labor people & ^{that} I was willing to lose just to keep the
"woman member" idea alive ^{which showed growth in my part}
Have been very busy with Council of
Defense. We hope to keep it alive here by reor-
ganizing in May. Plan to have each block
vote in its block worker - the latter vote
for Committee women & Ward Chairmen,
thus preparing the women for Suffrage.

Dear Madam:-

During the past two months, we have had numerous requests for information regarding the work in Citizenship carried on during the past year by our Connecticut organization. As a result, our Association has decided to release Mrs. Schoonmaker, who has been in charge of the department, for three weeks during the month of May, and let other states benefit by our experience in this work.

The enclosed pamphlet describes our plan in detail, and tells something of the very unusual personality of the woman who presents the subject. As we have planned, Mrs. Schoonmaker's itinerary includes Ohio, Indiana, Michigan, Illinois, Wisconsin, Minnesota, Iowa and Kentucky. She will be ready to begin engagements May 2nd, and could give two days to Minnesota. In planning an itinerary, which we enclose, you will note that we have selected the cities which seemed of greatest importance to us, but you, of course, are much able to judge in your own state.

Mrs. Schoonmaker's subjects are:-

1. "Americanizing American Women" - which describes the Citizenship work as we have conducted it in this state.
2. "Woman as a Factor in Good Government."
3. "Political Parties and Elections."

She could fill two engagements in one city, speaking on one of the latter subjects to other than a suffrage organization; we have in mind especially Chambers of Commerce, Rotary Clubs or Federated Women's Clubs. The price is fifty dollars (\$50.00) a lecture, Mrs. Schoonmaker meeting her own hotel and traveling expenses.

If you expect to develop Citizenship work, as urged by Mrs. Catt at the recent convention, we can recommend and endorse Mrs. Schoonmaker's lectures as the best possible means of establishing the ground work on a firm foundation.

If you are interested in having Mrs. Schoonmaker bring the "Connecticut Idea" to your state, will you please let us know at an early date?

Yours truly,

Mary S. Denning

Mrs. Medill McCormick,
1623 H St. N.W.,
Washington, D.C.

My dear Mrs. McCormick:-

Mrs. Severance is entirely acceptable to the suffragists as Chairman for Minnesota. She is on our State Board and is extremely interested in the Republican Party and is probably the logical person for you. She has been Chairman of the Liberty Loan Women's Committee of the Ninth Federal District and has been active and very much interested in various war activities.

The only criticism that could be made of her is that she is an exclusive society woman but I think her war activities have made her rather more democratic.

Mrs. George Squires is also a very nice woman. I know her quite well. She has been, as you probably know, chiefly interested in the D.A.R. She is a suffragist also.

Cordially yours,

State President.

My dear Mrs. Larson:

Mrs. Forrestal tells me
you have been appointed chairman of a committee
in Alexandria to raise \$50.00.

Thank you so much for this
help. We believe that we are nearly through
with the long struggle for political liberty.
We are hoping, indeed, that enough states may
ratify the Federal Amendment so that our work for
suffrage may be finished this year, and that we
may begin work before long on the plans for our
League of Voting Women.

Besides our state expenses,
we have still to pay our National Association over

help from your county.

Thanking you again, I remain

Dear Mrs. Heland,

It was a shock to learn that instead of going to St. Louis you were suffering a visitation of the "flu" - I hope you are quite well again and that you realize how very careful you must be until you have regained your strength - I'm thinking of the Stat Convention which you were planning to hold this month - But with the Referendum canned and the Presidential Bill passed and the special session of Congress still in the future, it seems as tho the Convention might go over to May or June and give you a much needed and well earned rest.

Ann wrote me about a week ago and remitted in full the amount that was coming to me. I blush to realize that my new and crowded schedule of duties is so badly assimilated that I have been unable to dispatch even a line of acknowledgment -

So far I have made a point of being at the factory at about 7:45 - As the work begins at eight the great majority of applicants ar -

[2]

just before that hour - As those who have had any factory experience come to go on the job at once, if accepted, an early interview gives them the opportunity of putting in a full day - I presume I shall permanently aim to be at my post by eight - As it takes a half hour to come down from where I live, you can imagine about what time I have to get up and begin to hustle every morning which is about 5:45 - We stop at 5 p.m., but oftener than not it is close to six before I get out of the building - So many evenings are taken socially that when a time comes that I am privileged to go home and to bed the occasion is gratefully seized upon -

The work is all very interesting - All the details in my department are "human nature" problems and the percentage of these problems is as high among the executives as it is among the "hands" - There are also problems of housing, factory extension etc - and the reaction of both workers and employers to the general industrial situation furnishes a well supplied table of "food for thought". Antagonisms are sheathed but none the less antagonisms - Fear sits enthroned beside Uncertainty where Arrogance and Ruthless Domination has held sway in the past - There are many fine, forward looking men among the executives here who would be glad to see a democratic policy applied - and if Revolution does not spread with too swift wings Evolution may yet eventuate -

I have not seen any of our women since their return from St. Louis - but a meeting of the various suffrage clubs is being planned to hear their reports. I'm hoping it will be called at an hour when I can attend - They certainly seem to have generated a lot of enthusiasm down there, in spite of disappointments -

Please do consider that you did enough at this session of the legislature to entitle you to a vacation until you are feeling prime - I'm wondering what is the plan with regard to the hard earned petitions. Republican friends here tell me that suffrage will be a walk-away in the next Congress so perhaps they (the petitions) have already served their purpose -

My greetings, any way, to all the good "Suffe", and all good wishes and love to you -

Sincerely, Rene E. A. Stevens

Dear Mrs Ueland,- How would like to have me for the evening of May the fifth,? I can be in Minneapolis on that night if you want me and I can give the next night to Saint Paul if they would like to have me. Will you kindly let me know as soon as you can for I will be leaving on Easter Monday night. *Apr 2-1*

Mrs. J.C. Colton,
1802 East 4th St.,

My dear Mrs. Colton:-

It seems a long time since I have either written or heard from you. For myself, I have been ill with influenza and in order to get quite strong, it seemed wise for me not to come to the office until I had quite regained my strength, so I am feeling as if I had rather neglected suffrage work.

I want to know very much how you are getting along with your petition work. I had very encouraging reports at first but have not heard anything about it recently.

Another thing I want to ask you - Mrs. Maud Wood Park, Chairman of our National Congressional Committee asked me some time ago to get a new pledge from each of the Minnesota Congressmen for the Federal Amendment at the special session of Congress. I sent letters to them all. I enclose a copy of the one that I wrote Mr. Carrs.

Mr. Carrs has not answered the letter so I wonder if it would not be wise for you to see him and get a definite answer from him. I know you went to see him immediately after his election and he assured you at that time that he stood for suffrage. You wrote me about it at the time but our National Congressional Committee would have their minds at rest if they get promises from all the Congressmen again.

Cordially yours,

My dear Mrs. Gallagher:-

Replying to your letter addressed to Miss Heckrich, will say that our State Convention which was to take place on December 12th, 13th, and 14th was postponed because of the ban placed on all state meetings by the State Board of Health on account of influenza.

It was then decided to hold this Convention in the Spring and it will now take place sometime in May or June. As soon as a definite date is set we will be glad to inform you.

Sincerely yours,

Office Secretary.

April 11th, 1919.

Mrs. Nellie L. McClung,
10303 - 123rd St.,
Edmonton, Alta.

My dear Mrs. McClung:-

Your letter of April 8th is very timely. We think now, we will have our State Convention May 6th, 7th and 8th.

There will be an all day and evening meeting on Tuesday the 6th and an all day and evening meeting on Wednesday the 7th, and our luncheon on Thursday, May 8th.

It will probably suit us a little better to have you Wednesday evening rather than Tuesday evening and it would be awfully nice if we could have you at the luncheon on Thursday, but if you have made other engagements and can only give us Tuesday evening, we will be very happy with that.

I am not just sure whether the St. Paul women will think they can get up an important meeting at St. Paul on the 5th, just before our State Convention in Minneapolis, but I rather guess they will take you whenever they can get you.

Please let me know if your time is definitely planned and that the 5th and 6th are the days in which you can be in Minnesota.

I am very happy indeed to hear that your boy is back. It seems almost a miracle that he should have gone through the entire war and come back safe and well.

Cordially yours,

Dear Mrs Heland,

I am enclosing a list of the county child welfare boards. It is not entirely up-to-date, but by comparing the names of women on the boards with your lists of women who work in the various counties, you may get an idea of the number of our women who will be here for the child welfare conference. I have marked with pencil those ^{whose} I know are suffragists.

THE NORTH AMERICAN TELEGRAPH COMPANY

IN CONNECTION WITH
THE POSTAL TELEGRAPH AND COMMERCIAL CABLE COMPANIES

TRANSMITS AND DELIVERS THE WITHIN MESSAGE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

To guard against mistakes or delays, the sender of a message should order it REPEATED; that is, telegraphed back to the originating office for comparison. For this, one-half the regular rate is charged in addition. It is agreed between the sender of the message written on the face hereof and the North American Telegraph Company, that said Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any UNREPEATED message, beyond the amount received for sending the same; nor for mistakes or delays in the transmission or delivery, or for non-delivery of any REPEATED message beyond fifty times the sum received for sending the same, unless specially insured, nor in any case for delays arising from unavoidable interruption in the working of its lines, or for errors in cipher or obscure messages. And this Company is hereby made the agent of the sender, without liability, to forward any message over the lines of any other Company when necessary to reach its destination.

Correctness in the transmission of messages to any point on the lines of the Company can be INSURED by contract in writing, stating agreed amount of risk, and payment of premium thereon, at the following rates, in addition to the usual charge for repeated messages, viz., one per cent. or any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

No responsibility regarding messages attaches to this Company until the same are presented and accepted at one of its transmitting offices; and if a message is sent to such office by one of this Company's messengers, he acts for that purpose as the agent of the sender.

Messages will be delivered free within the established free delivery limits of the terminal office. For delivery at a greater distance a special charge will be made to cover the cost of such delivery.

This Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the message is filed with the Company for transmission.

This is an UNREPEATED Message and is transmitted by request of the sender under the conditions named above. Errors can be guarded against only by repeating a message back to the sending station for comparison.

The above terms and conditions shall be binding upon the receiver as well as the sender of this message.

No employee of this Company is authorized to vary the foregoing.

TELEGRAM

Mrs. Carrie Chapman Catt,

171 Madison Avenue New York, N.Y.

State Convention to be held here first week May. Do you advise Mrs. Schoonmaker as speaker with possible adoption of state wide citizenship program like Connecticut idea, also do you advise as speakers one Democratic and one Republican man to speak on subject of respective political parties? We hesitate on both these points though we are inclined to think it will add interest and friends to our coming two years suffrage work if we adopt a broader policy to include citizenship or some similar feature of Voters League program and also to foster as much interest in politics as may be deemed wise. It seems necessary to do something here to make women realize they have presidential vote. We desire your specific and general advice.

Mrs. Andreas Ueland,

Minneapolis, Minn.

April 16th,
1 9 1 9.

Hon. Harold Knutson,
St. Cloud,
Minnesota.

My dear Mr. Knutson:-

We would like very much indeed to
talk over with you the Congressional situation
in regard to our Federal Amendment.

Are you to be in Minneapolis before
long? If so, can we not make an appointment
with you for a quiet interview? Maybe sometime
you will be willing to speak for us at a public
meeting.

Sincerely yours,

State President.

(Mrs. Andreas Ueland)

April 16th, 1919.

Mrs. C.L. Atwood,
Mankato,
Minnesota.

My dear Mrs. Atwood:-

Will you write me confidentially and as soon as possible what you think of Congressman Harold Knutson as a public speaker?

We are to have our Convention in about three weeks and we are considering if it would be wise to ask Mr. Knutson to be one of our speakers. We understand that he is to have a rather prominent place among the Republicans in the next Congress.

Do make your plans to come to our Convention. We will, of course, send you a call in a short time. It is to be held May 6th, 7th and 8th and we are very anxious indeed to have many women of this State with us. We have two years of work ahead of us and do not want to slump until everything is wound-up.

Sincerely yours,

State President.

(Mrs. Andreas Ueland)

April 16th, 1919.

Governor J.A.A. Burnquist,
State Capitol,
St. Paul, Minn.

My dear Governor Burnquist:-

I understand that opinions against the Presidential Suffrage Bill were written by Mr. Rome G. Brown and Mr. James O'Brien of Minneapolis and Mr. Thomas O'Brien and Mr. Morten Barrows of St. Paul.

I wonder if it would be too much to ask if you could send us copies of these opinions if they are at hand in your office. We naturally want to be fortified against any contingency that may arise.

I want to take this opportunity to thank you for your very cordial attitude towards this suffrage measure.

Sincerely yours,

State President.

(Mrs. Andreas Ueland)

Harvey, N. Dak.

Apr. 16, 1919.

Equal Suffrage Association:

Please send me information concerning equal suffrage for a debate.

Thanking you in advance

I am, Olga Jorgenson.

April 17th, 1919.

Mrs. Peter Oleson,
Cloquet,
Minnesota.

My dear Mrs. Oleson:-

We are to have our postponed Convention Tuesday, Wednesday and Thursday of May 6th, 7th and 8th. Would it be possible for you to come down at any time during this convention? We don't like to think of having the Convention without you.

One thing we are having under consideration, and are only waiting for Mrs. Catt's approval to carry it out, is to get up a big Auditorium meeting. Mrs. Nellie McClung will be the chief speaker at this meeting but we want to make it something in the nature of a political meeting if Mrs. Catt approves; that is, to have a leading man and woman to speak for the Republican Party and another leading man and woman for the Democratic Party. We would want Mrs. Severance to speak for the Republican and you to speak for the Democratic and we would get the biggest man we could in the State to speak for the respective parties.

You know we are going to vote for President next year and we think this meeting will be intensely interesting and would draw a great many people. Of course, our Association must make it very clear that as an organization, we are not taking sides with any party but we feel down here that there is no objection to our beginning to educate our women in regard to the two parties. If we are able to carry out this plan, you simply must come down to speak for the Democrats.

Mrs. Peter Oleson--#2.

We would like to have you through the
entire Convention but if you are teaching school,
I am afraid that can't be done.

Cordially yours,

State President.

Mayor Meyers,
Court House,
Minneapolis, Minn.

My dear Mayor Meyers:-

The members of our organization are among the many who believe that of the members of the newly created Public Health Commission one at least should be a woman.

The point of view of women should without question be represented upon this body. The right sort of woman, one with knowledge and devotion to the best interests of the community, would add greatly to the efficiency and usefulness of the Commission.

I very earnestly urge therefore, that you give your best consideration to this matter with a view of appointing upon this board a suitable woman member.

Sincerely yours,

State President.

Miss Olga Jorgenson,
Harvey,
N. Dak.

My dear Miss Jorgenson:-

In response to your letter of April 16th to the Equal Suffrage Association, asking for material for a suffrage debate, we are sending you under separate cover a variety of arguments for and results of equal suffrage.

I enclose with the other literature a Blue Book. This contains a good deal of the history of suffrage but the trouble with that is - as with all the other literature we have - it is not up to date. The suffrage situation changes almost from week to week so that it is hard to keep in line with it.

Since the publication of the small map enclosed the following victories have been gained:

<u>FULL SUFFRAGE</u>	<u>PRELIMINARY</u>	<u>PRIMARY</u>
Michigan 1918	Vermont 1919	Texas 1918
Oklahoma 1918	Wisconsin 1919	
South Dakota 1918	Indiana 1919	
	Maine 1919	
	Missouri 1919	
	Minnesota 1919	

We trust you will find everything in these that you need to give the affirmative side conclusive victory in the debate.

Sincerely yours,

Office Secretary.

My dear Mrs. Deming:-

We telegraphed you yesterday that we wanted Mrs. Schoonmaker for May 13th. I write to explain to you that this meeting is to be under the auspices of our local organization, Hennepin County Woman Suffrage Association. The President of this association is Miss Hope McDonald and her address is 312 Hoyer's Arcade, Minneapolis. In order to avoid confusion, will you please direct your letters to Miss McDonald.

We are all very much pleased that we are to have Mrs. Schoonmaker in Minnesota and hope we may be successful in getting up a good meeting for her.

Mrs. C.P. Hoyer of St. Paul reports that she had had a letter from Miss Ludington in regard to Mrs. Schoonmaker. I do not know what decision the St. Paul women have come to in regard to this meeting but you will of course, hear directly from Mrs. Hoyer about this.

My dear Mrs. Fuller:-

I am very glad to get your letter and to know that there are some women who are interested in suffrage in St. Charles.

We shall be very glad to help you in your program and send you a package of literature. We are also putting your name on our mailing list so that you will get bulletins from time to time which will keep you informed.

I enclose with the other literature a Blue Book. This contains a good deal of the history of suffrage and will suggest something for your program. The trouble with that is, as with all the other literature we have, it is not up to date. The suffrage situation changes almost from week to week so that it is hard to keep in line with it.

Would you not like to take the "Woman Citizen" that is \$2.00 per year and has the very latest news on suffrage. We send you a few sample copies.

Mrs. Andreas Ueland,
403 Essex Street,
Minneapolis, Minn.

My dear Mrs. Ueland:

Your telegram was forwarded to me here where I have been called on a sad mission to hurry my sister off to Rochester for a serious operation if it is not too late. At least the doctors here seem to think her condition very serious indeed.

I came in answer to a telegram which reached me in Des Moines and I left before the vote on our Presidential bill was taken and a wire today tells me we have passed with a huge majority both the Senate and the House and now it is up to the Governor who will be glad to oblige the ladies I think.

However I reached here Thursday afternoon and have started my sister and her husband off to Rochester. My brother who came on as soon as the wire came to Dubuque was also gone with them and I am here with the three children to have the responsibility of them for a long time. I shall doubtless take them to Dubuque as soon as here from the Mayos.

Now about Nellie McClung. I had just begun to try to book her in several towns and fear that my being away will make it not so easy a thing to do so I shall be glad to let you have her May seventh. Will you write me here as soon as you decide to take her or decide not to take her. We want her one day in Dubuque but the date had not been set and now I think she is to go to Des Moines, and Sioux City but the dates are not set. I am confident other places will want her but they are slow making up their plans and letting me know.

Very cordially yours,

Anna B. Lawther

My dear Mrs. Lawther:-

I am very sorry indeed to learn of the illness of your sister. I do hope she will get help at Rochester.

How fine it is Iowa now has Presidential Suffrage. The speed of our cause is certainly accelerating as it nears the end.

We are very glad to have Nellie Mc Clung Wednesday evening May 7th and we are telegraphing her to that effect. St. Paul is to have her Tuesday, May 6th so she will be free to go to Iowa after May 7th.

/ Cordially yours,

State President.

My dear Mrs. Colton:-

In regard to the votes of the men from St. Louis County on various suffrage measures, we will have those facts in the little booklet that Mr. Buell gets out after the legislature is closed. All I have at hand just now is the vote on the Presidential Bill in the Senate.

A resolution was offered by Senator Handlan, an anti-suffragist, to refer this bill to the Judiciary Committee. The purpose of this resolution was simply to delay the question with the hope of killing it. All the anti-suffragists voted in favor of this but also some who are really suffragists. I am glad to tell you that the only man from St. Louis County who voted against either measure is Senator Ribenack.

You know our Convention had to be given up in December on account of the ban by the Health Department because of influenza. We have decided not to have a State Convention until the regular time in the fall but are planning an all day State Conference in Minneapolis, May 7th. Nellie McClung happens to be going through about that time and she will be our principle speaker. The Conference is in the nature of a Jubilee over the success of our Presidential Bill. The meeting will probably begin about 10 A.M. and we will have a luncheon at which Mrs. McClung will be the chief speaker. You must certainly come to this meeting. In addition to making this a Jubilee over our Presidential victory, we are also going to try to raise some money.

Our organizer, Mrs. Norrestal, has gone out

into the State to enlist the interest of the women in this meeting and also to ask the counties to take a certain quota. We have adopted the National Association's plan, by which Minnesota will give to the National \$1,700.00. In order to do this we are going to ask each county to contribute something towards this sum. Mrs. De Voist has already pledged \$250.00 and we are going to ask the St. Louis County if they will not contribute \$500.00. Minneapolis is to give to the State \$5,000.00 and St. Paul \$3,000.00.

Mrs. Forrestal will probably get to Duluth before the Conference but I am afraid it will be the very last thing, so I hope you will do everything you can to enlist the interest of the women in the meeting and try and get a good delegation from Duluth. Mrs. Forrestal will probably go to see the women who might contribute something if you will give her a list. Anyway, she will tell you all about our plans.

Hoping to see you soon, I am,

OFFICE SECRETARY

Clara M. Heckrich, 403 Essex Building
Telephone, Nicollet 6270

April 23, 1919.

I am sure you know that the Minnesota Legislature recently passed a bill giving Minnesota women the right to vote for president.

To celebrate this victory we are calling a State Conference in Minneapolis Wednesday, May 7th, and I write to urge you to attend this meeting.

Knowing about the Child Welfare Conference to be held in St. Paul May 9th and 10th, we planned our State Suffrage Conference at this time in order that the members of the Child Welfare Board might attend both meetings.

In addition to celebrating our own victory and the advance of Woman Suffrage throughout the world, we want to put before the women of the State the splendid plans and ideals of The League of Women Voters, the great new organization which came into being at the St. Louis Suffrage Convention last month.

If we are able to carry out these plans, we shall see fulfilled Matthew Arnold's prophecy:

"If ever the world sees a time when woman shall come together purely and simply for the benefit and good of mankind, it will be as a power such as the world has never known."

I am sure you feel with us the vital connection between Women Voters and Child Welfare. One of the main departments of the League of Women Voters IS Child Welfare.

Mrs. Nellie McClung of Edmonton, Canada is to be our principal speaker. You know her, I think by reputation, as one of the most brilliant speakers of our time. More than anything else, it was her powerful and moving speeches that won for Canada Woman Suffrage and Prohibition. She is an inspiration and a delight. You should hear her.

Our meeting is to be held in the Radisson Hotel and is to close with a luncheon.

The Minneapolis suffragists wish to entertain all out of town women who come to the Conference and are especially pleased to have as their guests the members of the Child Welfare Board.

Please let me know if we may expect you and also if you will be the guest of some Minneapolis Suffragist?

Sincerely yours,

State President.

(Mrs. Andreas Ueland)

April 24th,

Mrs. W.H. Gemmell,
Brainerd,
Minnesota.

My dear Mrs. Gemmell:-

Your letter dated April 4th was not answered because at that time I was at home sick with influenza.

I am very much interested that you have become a member of the Board of Education at Brainerd. I am sure it is an excellent arrangement all around. I only hope that your new work will not interfere with your suffrage work and that you will be able to go on with the petitions.

Just now we are planning a State Conference to be held in Minneapolis, Wednesday May 7th. We want to celebrate our Presidential Suffrage victory and also to lay before the suffragists of the State the plans of the new League of Women Voters which was started at the National Convention last month. I do hope that you will be able to come and that we will see a number of Brainerd women on that day.

Mrs. Forrestal will probably be in your town before many days to work up some interest in the Conference and also to ask the Crow Wing County suffragists to contribute its quota towards the expenses of suffrage in the State.

Aside from our running expenses, Minnesota is to pay the National Association \$1,700.00. The burden of this has fallen almost altogether upon Minneapolis and St. Paul and we know that the different counties would like to do their share of meeting

the expenses of this cause. I am sure you will help Mrs. Forrestal in every way you can, both in getting up interest in the conference and in persuading your suffragists to undertake some of the financial obligations.

Cordially yours,

State President.

(Mrs. Andreas Ueland)

April 24th, 1919.

Miss Hazel Geier,
Ortonville,
Minnesota.

My dear Miss Geier:-

We are very anxious indeed to increase the suffrage sentiment in your district. Your Senator, Mr. F.L. Cliff, is a good suffragist but the members of the House of the 48th District are not all as strong for suffrage as we could wish and Ortonville sent in a very small petition.

Mrs. C.C. Olson is the Chairman in your district and I am sure she will be very glad if she could get some help from some of the young women. Can we not count on you to do some active suffrage work this coming summer. Your name has been given to us more than once as one who has ability and influence.

We are to have a State Suffrage Conference in Minneapolis, May 7th. It would be fine if you could come here at that time to get acquainted with us and to learn what we are trying to do.

Hoping that I may hear from you soon, I am,

Cordially yours,

State President.

(Mrs. Andreas Ueland)

April 24th, 1919.

Miss Hattie S. Bordewich,
Olivia,
Minnesota.

My dear Miss Bordewich:-

In reply to your letter of March 29th I want to say that I am pleased that you approve of our methods. I am sure that all the suffragists of the State are happy because of the Presidential Bill. We very much disapprove of the militant methods and we knew only too well how very difficult the tactics of the Woman's Party have made our own work.

I want to tell you especially about the State Conference which will be held in Minneapolis, Wednesday May 7th. I do wish you would make a special effort to attend this Conference and to try to get some of the women from Olivia to go. We do want to arouse an increased interest of the women of the State in our work.

At this Conference we are going to celebrate the Presidential Bill victory and also are going to explain about the splendid new organization, the Woman Voter's League, which was started at the St. Louis Suffrage Convention last month.

Mrs. Nellie McClung is to be our chief speaker. I am sure you know that she is one of the finest speakers of the age.

Hoping that we may see you at this time, I am,

Cordially yours,

(Mrs. Andreas Ueland)

State President.

OWATONNA, MINN., April 26, 1919

My dear Mrs. Ueland.

Could it be possible for you to send me an outline of the work which you hope to accomplish with whatever funds are raised at the banquet?

I thought that perhaps a few kindred souls here might arrange to help out some by private subscription. We ought, I think, to send a bout fifty dollars and could doubtless get that much by soliciting quite generally, but none of us are willing to do that, there is such a general demand for money these days for so many things.

I hope the occasion may be a great success
and feel that in your hands it will be.

I would like very much to attend.

Quakona certainly ought to be represented
I think Mrs. Forester a good helper, and
very pleasant.

Very sincerely yours

Mrs. Charles C. Bovey,

Dear Mrs. Bovey:

It will give us great pleasure to have you serve as hostess at our State Conference luncheon held at Hotel Radisson Wednesday, May Seventh. It will add greatly to the interest of the occasion, we think, to have as hostesses some of our prominent women who are suffragists. Mrs. Nellie McClung of Alberta will be our guest of honor.

Some suggestions that have been made as to methods of helping the attendance and interest are:

The hostess may persuade members of her club or a group of friends or neighbors to form a party, or she may invite a number of friends to go as her guests.

Neither of these things is to be considered as an obligation.

We have not been together as suffragists since the great privilege of voting for President was conferred upon Minnesota women.

Will you not do all you can to make this a large and joyous celebration of this new power and its promise for the future? May we ask for a prompt reply.

Cordially yours,

Chas. Ueland

My dear Mrs. Meland;

Before seeing
Mrs. Forrester the other day,
we were completing arrange-
ments to hold our long-
delayed suffrage luncheon
on May 3rd. But if it
is possible for you to come
on the Saturday following
the Conference, May 10th

We will be happy to make
plans for it. We have
engaged the Y.M.C.A. await-
ing your approval of the
date and as soon as I
get word from you we
will get the ticket sellers
to work.

We enjoyed Mrs. Forrestal's
visit though my conversation
with her was very short
there was so much I
wanted to ask her.

I was very sorry to hear
of your illness and hope
you have entirely recovered.
In your reply concerning
the luncheon will you give
me as much advertising as
possible — An idea of
the campaign, had it
better be given out before
hand or not? The
ladies you will bring with
you — something about
them etc.

Mrs. C.C. Colton,
1802 East 4th St.,
Duluth, Minn.

My dear Mrs. Colton:-

I have just received a letter from Mrs. Eunice Evans, formerly of Oregon but now living in Duluth. She writes to find out if we could give her a position as an organizer. In reply I am saying that we do not need a paid organizer just at present.

I am asking her to make herself known to you and if possible to volunteer to help you with your petition work. She sends some good recommendations. She is now a music teacher.

If you could get acquainted with her and could see something of her work, if she will give you some of her time, you can form an estimate of the kind of woman she is and it might happen that we will be glad to engage her to do some work in the State. Please look her up and report if she seems to you promising material.

She seems to have had a very eventful life. She has been an actress and is a divorcee. Her address is 2 West 87th Ave., Riverside, Duluth, Minn.

Sincerely yours,

State President

(Mrs. Andreas Ueland)

April 29th, 1919.

Miss Harriet Warburton,
Glenwood,
Minnesota.

My dear Miss Warburton:-

In reply to your letter of March 24th, the war has certainly changed the status of women very greatly and in very many ways. We haven't anything very specific on that subject but I send you a package of material from which I believe you may be able to glean considerable information, especially about the status of women in the labor world.

The war had a wonderful affect on woman suffrage also. There is no question whatever but that the English Parliament gave women the vote because of the war situation. This is probably true also of Sweden and Denmark and in a measure of Canada. Both the French and Italian Governments have promised to give women municipal suffrage because of the war conditions.

Sincerely yours,

State President.

(Mrs. Andreas Ueland)

April 29th, 1919.

Mrs. Eunice M. Evans,

Riverside, Duluth,
Minnesota.

My dear Mrs. Evans:-

In reply to your letter of April 18th, I will say that our plans for the year's work have not been definitely made and the money to take care of it has not yet been raised, so there is no paid position that I can offer you at the present. It might be that we shall be glad to use your services later on if we see our way to undertake considerable State work.

The Chairman of St. Louis County is Mrs. C.C. Colton, 1802 East 4th St., Duluth. Will you not make yourself known to her and if possible volunteer your services to help with the petition work in Duluth? In that way you could become acquainted with each other. If you are not able to give any time, she will at least like to know that you are an intelligent sympathizer.

Hoping that I may meet you before long somewhere in the State, I am,

Sincerely yours,

State President.

My Dear Mrs. Heland

I am planning to attend
the Conference on May 7th
but as my sisters apartment
is vacant, need no hostess,
and will leave room for some
one who is more of a stranger
to Minneapolis. I do indeed
realize the fact that it is the
women who must back up
the Child Welfare program
and wonder what would have

been accomplished, Had not
women been put upon
the County Boards!

Thanking the Minneapolis
suffragists for their
generous hospitality
and anticipating the pleasure
of seeing you again,
Am very cordially yours

Mareta Wood Cummings

ST. CLOUD, MINNESOTA

April 30, 1919.

Mrs. Andreas Ueland,
403 Essex Building,
Minneapolis, Minn.

My dear Mrs. Ueland;

Your letter of April 16th, awaited me on my return to St. Cloud, hence the delay in acknowledging its receipt.

I regret very much that I am unable at the present to give the date when I will be in the cities at which time we could talk over the Congressional situation with reference to the Federal Amendment.

I am very much interested in the cause and would be glad to assist in any way that lies within my power, and if time will permit would be very glad, indeed, to make a few remarks in behalf of the cause.

With kind personal regards, I beg to remain.

Sincerely yours,

Harold Knutson
