P.O. Box 194

Dear Governor:

My wife and I thoroughly enjoyed our visit to Laguna. Victor, your Lieutenant Governor, was an extremely enthusiastic, capable and dedicated guide. It was good for us to see his enthusiasm and to gain a perspective as to the strong culture that motivates the two of you in perpetuating your tribal traditions. I write to express our appreciation to both of you for your courtesies and thoughtfulness.

I have had the occasion to telephone Dick Schifter and to pass on your own greetings to him. He reciprocates with the warmest best wishes of his own as his reaffirms his friendship and dedication to your welfare and that of your tribe.

Sincerely,

Max M. Kampelman
