## MEMORANDUM

TO: Sidney Lovett, Pam Lungmus, Charles Nelson,  
and Richard Solomon  
FROM: Richard Friedman, National Strategy Forum  
SUBJECT: USIP Events in Chicago - October 29, 1997  
DATE: October 24, 1997

---

We are confident that the two events in Chicago will establish an USIP presence with key Chicago leaders and lead to a base for contributions in the future.

To follow up on the conference call held Wednesday, October 22:

Chester Crocker will not attend the Chicago events. A brief mention of his change in plans will be made by me at the events.

The time-schedule for the dinner is revised. I have attached the schedule for your information.

We have 22 acceptances for the dinner and we anticipate 3-4 additional responses. The dinner total will be at 30, the original goal. A list of attendees with affiliations is attached.

We will make the seating arrangements, seating one of the USIP representatives at each of the five tables. A list of table assignments will be available in advance of the dinner.

For the public event preceding the dinner, we have arranged space for USIP informational handouts as well as an easel for the display of the over-sized picture of the USIP building site on the Mall.

There are no audio-visual requirements. A microphone will be available at the lectern at each event. Kampelman, Hesburgh and Solomon will be seated at the table on the podium for the public event.

A limousine has been arranged for transportation to O'Hare airport at 8:30 p.m.; arrival at O'Hare at 9:05 p.m.; flight departure at 9:50 p.m.
