President
India Club

8-25-87

My enclosed application for membership in your club comes after witnessing your delightful India Day fete at St Paul's Landmark Center last fall.

There is another interest in my joining, - and a small problem that I'm hoping some member can help me solve. (Or please pass this on to someone whom might be able to aid me).

As an instructor at The Minneapolis College of Art and Design and, especially, as an artist, I am presently working on a large painting which pays tribute to Mohandas Gandhi. This art work is about half finished but I am still in need of some visual details. Can you help me with pictures or clothing etc worn by "middle class" woman of Gujarat from about 1850 to 1930. It is for the costumes of M. Gandhi's wife and mother; these images unfortunately are still unfinished!

Please feel free to call (822-2747 home); (- my unfinished Gandhi piece is available for viewing as well).

Thank you for your time and any help would be most appreciated.
Yours, Herbert Grika
